<p><i>A number of actions listed below are key delivery mechanisms for the AONB and support many objectives. Other actions may support more than one objective but are listed under the one most relevant.</i></p>											
0.1	Operate the Shropshire Hills AONB Sustainable Development Fund to support a wide range of environmental, economic and social activities related to the AONB's purposes.	/	/	/	/	/	In progress	AONB	2008-14	Lead	Cath Landles
0.2	Implement LEADER in the Shropshire Hills, focussing on wellbeing and connections to the landscape.	/	/	/	/	/	Under development	AONB, LAs, AWM	2008-13	Lead	Clare Fildes
0.3	Operate agri-environment schemes, targeting particular features and qualities of the AONB, and consulting the AONB Partnership as appropriate.	/	/	/	/	/	In progress	NE	Ongoing	Support	Phil Holden
0.4	Promote the English Woodland Grant Scheme, to support the appropriate planting and management of woodlands.	/	/	/	/	/	Ongoing role	FC	2005-9	Support	Ian Dormor
0.5	Develop the Shropshire Hills Sustainable Business Scheme.	/	/	/	/	/	In progress	AONB	2008-14	Lead	Clare Fildes
<p>OBJECTIVE 1 To co-ordinate among partner organisations the holding, improvement and application of authoritative and relevant data about the AONB.</p>											
1.1	Establish annual reporting on headline indicators of AONB condition.	/					Aspiration	AONB, NE, WMRO	2009-14	Lead	Phil Holden
1.2	Develop the Shropshire Ecological Data Network and public access to information through www.naturalshropshire.co.uk.	/			/	/	In progress	SCC, RGs, AONB	2008-14	Support	Phil Holden
1.3	Ensure mechanisms for keeping data and information on the AONB up to date, integrating with systems of key partners as much as possible.	/	/		/		In progress	AONB, SCC, NE	2008-14	Lead	Ian Dormor
1.4	Establish a simple strategy for making data available and disseminating information to partners and wider audiences.	/	/	/	/	/	Aspiration	AONB	2009	Lead	Phil Holden
1.5	Establish a programme of fixed point photography at key locations as a means of monitoring landscape change.	/			/	/	Aspiration	AONB	2008-12	Lead	Ian Dormor
<p>OBJECTIVE 2 To provide information and guidance to land managers on practices which support the special qualities of the AONB.</p>											
2.1	Produce guidance and advice leaflets relating to the AONB for target groups, e.g. farmers, smallholders, woodland owners.	/					Aspiration	AONB	2009-11	Lead	Cath Landles
2.2	Complete design guidance for agricultural buildings.	/	/	/	/	/	In progress	AONB, LAs	2005-7	Lead	Joy Tetsill

Ref.	Action (High priority actions shown with shaded background)	Conserve & enhance	Keep thriving	Low carbon	Adapt for future	Help people connect	Status	Lead and key partners	Target timescale	AONB Partnership role	AONB lead or link officer
2.3	Continue and develop farm conservation advice through one to one visits and Farmers' Den approach.	/	/	/	/	/	In progress	AONB, FWAG, LAs	2009-14	Lead	Cath Landles
2.4	Develop a section on the AONB website on sources of advice.	/	/	/	/	/	Aspiration	AONB	2009-10	Lead	Stephanie Hayes
OBJECTIVE 3 To set and influence policy and strategy which supports AONB purposes and Management Plan priorities.											
3.1	Ensure strong and consistent policies relating to AONB are included in the West Midlands Single Integrated Regional Strategy and in Local Development Framework documents of both authorities.	/	/	/	/	/	In progress	AWM, LAs, AONB	2008-14	Support	Joy Tetsill
3.2	Renew AONB planning protocol outlining basis and procedures for AONB Partnership involvement in planning policy, guidance and casework.	/	/	/	/	/	Aspiration	AONB, LAs	2009-10	Lead	Joy Tetsill
3.3	Explore the development of an Area Action Plan for the AONB within the Shropshire Local Development Framework based on aspects of the Management Plan.	/	/	/	/	/	Aspiration	LAs, AONB	2009-14	Support	Joy Tetsill
3.4	Work co-operatively on production of Supplementary Planning Documents relating to the AONB, including landscape, biodiversity, trees & woodland.	/	/	/	/	/	Aspiration	LAs, AONB	2009-14	Support	Joy Tetsill
3.5	Seek to reduce the impact of transport on the AONB and through implementation of the Shropshire Local Transport Plan.	/	/	/	/	/	In progress	SCC	2005-9	Support	Joy Tetsill
3.6	Consider all purposes of AONB designation and Management Plan priorities in preparing strategies and policies, and consult the AONB Partnership as appropriate.	/	/	/	/	/	Ongoing role	LAs and other especially public bodies	2009-14	Support	Phil Holden
3.7	Input to strategic consultations especially at local and county level, and contribute to national consultations in conjunction with NAAONB.	/	/	/	/	/	Ongoing role	AONB	2009-14	Lead	Phil Holden
3.8	Foster close links between the AONB and Local Strategic Partnerships, reflecting this in Sustainable Community Strategies and where possible Local Area Agreements.	/	/	/	/	/	In progress	AONB, LSPs	2009-14	Support	Phil Holden

Ref.	Action (High priority actions shown with shaded background)	Conserve & enhance	Keep thriving	Low carbon	Adapt for future	Help people connect	Status	Lead and key partners	Target timescale	AONB Partnership role	AONB lead or link officer
3.9	Develop a guidance document on management of roads in the AONB including design standards for infrastructure and signage, management of road verges and hedges to optimise conservation value, etc.	/					Aspiration	AONB, SCC, HA	2009-10	Lead	Joy Tetsill
3.10	Support the development of Village Design Statements.	/	/	/	/	/	In progress	AONB, LAs, PCs	2008-14	Support	Joy Tetsill
OBJECTIVE 4 To seek the best protection for the AONB and support for Management Plan priorities from planning decisions.											
4.1	Take planning decisions and enforcement action in support of AONB purposes and Management Plan priorities.	/	/	/	/		Ongoing role	LAs, AONB	2009-14	Support	Joy Tetsill
4.2	Organise training relating to the AONB for Planning Officers and Planning Committee members.	/	/	/	/		Aspiration	AONB, LAs	2009-10	Lead	Joy Tetsill
4.3	Report annually on the number and type of planning applications in the AONB, and on the numbers granted, refused on grounds of the AONB or modified on grounds of the AONB, ideally as part of Annual Monitoring Reports.	/	/	/	/		Aspiration	LAs, AONB	2009-14	Support	Joy Tetsill
4.4	Seek to establish an AONB Design Award to recognise high quality development.	/	/	/	/	/	Aspiration	AONB, LAs	2009-10	Lead	Joy Tetsill
OBJECTIVE 5 To optimise the uptake, targeting and effectiveness of agri-environment and woodland grant schemes.											
see also action 0.3 above											
5.1	Use local information as well as nationally available datasets to ensure high standard of Farm Environment Plans and appropriate targeting of HLS.	/	/		/	/					Ian Dormor
5.2	Support high levels of uptake of agri-environment schemes, where possible by extra events and pro-active advisory work.	/	/	/	/	/	In progress	FWAG, AONB, NT, SWT, NE.	2009-14	Lead	Cath Landles
5.3	Monitor implementation of the Long Mynd Common ESA agreement, and on its expiry seek to secure a Higher Level Stewardship agreement.	/			/		In progress	NT, NE	2009-10	Support	Ian Dormor
5.4	Seek to commission a study of the implications of the end of the Environmentally Sensitive Area scheme, and the implications of the transition to the Environmental Stewardship scheme.	/	/	/	/		Aspiration	AONB, NE	2008-10	Lead	Phil Holden

4.3.8	Develop a Shropshire Hills AONB Woodlands project, focussing on small native woods and supporting management through advice, small grants and strengthening markets for woodland products.	/			/	/	Aspiration	AONB, FC, GWC, NE	2009-14	Lead	Clare Fildes
N.B. Other actions relating to the AONB are contained in the Shropshire Geodiversity Action Plan, available at http://www.shropshire.gov.uk/sustainability.nsf											
OBJECTIVE 7 To restore and create improved habitat networks by enhancing habitats (including heathland, grassland and woodland) especially by buffering and linking existing high quality areas.											
7.1	Seek to restore heather cover on the Stiperstones ridge (including beyond the NNR) through the 'Back to Purple' project.	/			/	/	In progress	NE, LOs, SWT	2009-14	Support	Phil Holden
7.2	Seek to acquire strategically located sites of conservation importance or potential, especially neighbouring existing conservation sites.	/			/	/	Ongoing role	NT, SWT	Ongoing	Support	Phil Holden
7.3	Use all available information to help target Higher Level Stewardship uptake to develop habitat networks, especially in Long Mynd - Stiperstones area.	/			/		In progress	UOWG, SCC, AONB	2009-14	Support	Cath Landles
7.4	Seek to develop woodland habitat networks, including by restoring to broadleaved cover and planting new adjacent sites, especially along Wenlock Edge.	/			/		In progress	NT, SWT, FC, NE	2009-14	Support	Ian Dormor
OBJECTIVE 8 To improve the condition of geological sites and raise awareness of geology and its influences on landscape and human activity.											
8.1	Develop leaflet and model management plan for Regionally Important Geological Sites (RIGS), and raise awareness of RIGS among landowners, parish councils, planners and developers.	/			/		Aspiration	SCC, AONB, SGS, SWT	2008-10	Support	Phil Holden
8.2	Secure resources to raise level of geoconservation action, ideally through a Geodiversity Officer for Shropshire.	/			/		Aspiration	SCC, AONB, SGS, SWT	2009-11	Support	Phil Holden
8.3	Develop interpretation works at key geological sites.	/			/		In progress	SGS, SWT, SCC, AONB	2008-14	Support	Phil Holden

Ref.	Action (High priority actions shown with shaded background)	Conserve & enhance	Keep thriving	Low carbon	Adapt for future	Help people connect	Status	Lead and key partners	Target timescale	AONB Partnership role	AONB lead or link officer
OBJECTIVE 9 To conserve and manage heritage features and attributes, preventing damage and acting to maintain value where necessary.											
9.1	Support and develop proposals for conservation or restoration works at key historic sites (e.g. 31 SAMs at High Risk, 4 Listed Buildings at Risk).	/					In progress	EH, LAs, AONB	2005-9	Support	Ian Dormor
9.2	Develop a strategic approach to the conservation and stabilisation of vernacular farm buildings, identifying which buildings are most at risk and seeking funding for conservation works.	/	/				Aspiration	LAs, EH, AONB	2008-9	Support	Ian Dormor
9.3	Put in place structures and resources for new local authority heritage responsibilities.	/					In progress	SCC, EH	2008-9	Support	Ian Dormor
9.4	Develop a new project focused on historic features which have so far received little attention, e.g. water meadows and willow pollards.	/				/	Aspiration	AONB, EH, LAs, CGs	2008-10	Lead	Ian Dormor
OBJECTIVE 10 To improve water quality, especially through reducing diffuse pollution, to reach requirements of the EU Water Framework Directive.											
10.1	Improve water quality through improvements in sewage treatment infrastructure and drainage systems, focusing especially on problems in the River Kemp.	/	/		/		In progress	STW, EA	2005-9	Support	Phil Holden
10.2	Implement the River Teme Catchment Sensitive Farming project, aiming to reduce diffuse pollution including through improved land management.	/	/		/	/	In progress	NE, EA	2006-8	Support	Mike Kelly
OBJECTIVE 11 To ameliorate where possible eyesores in the landscape and existing inappropriate development.											
11.1	Implement a programme of undergrounding of electricity cables, prioritised according to landscape impact.	/				/	In progress	CN, AONB	2006-9	Support	Ian Dormor
OBJECTIVE 12 To retain tranquillity, gather more information and raise the profile of this quality.											
12.1	Undertake surveys of perception of tranquillity.	/				/	Aspiration	AONB	2009-14	Lead	Ian Dormor

Ref.	Action (High priority actions shown with shaded background)						Status	Lead and key partners	Target timescale	AONB Partnership role	AONB lead or link officer
