

BRIDGNORTH, WORFIELD, ALVELEY AND CLAVERLEY OCAL JOINT COMMITTEE

Welcome to this forum for people from Bridgnorth and surrounding areas.

These forums have been set up to let local people have their say and get involved in decisions that affect you.

We will be holding these meetings four times a year. The panel is made up of 6 Councillors from Shropshire Council and the following Town and Parish Councils:

- Alveley and Romsley Parish Council
- Astley Abbots Parish Council
- Badger Parish Council
- Beckbury Parish Council
- Bridgnorth Town Council
- Claverley Parish Council
- Kemberton Parish Council
- Quatt Malvern Parish Council
- Ryton and Grindle Parish Council
- Stockton Parish Council
- Sutton Maddock Parish Council
- Tasley Parish Council
- Worfield and Rudge Parish Council

We have a small budget to allow us to take action over local issues and we will have the power to call in Council Members or senior officers to question them over decisions affecting the Bridgnorth, Worfield, Alveley and Claverley area.

Success relies on local people being engaged and having an active role, and the elected Members listening and actually doing something about people's issues. We want these meetings to be responsive and decisive, so that people can see local democracy at work.
