

SKILL UP

If you're between 16 - 18 and need some help getting to where you want to be, **Skill Up** is for you!

county | training

Skill Up is all about you!

Skill Up will provide you with the opportunity to build your confidence through positive achievements, which will enable you to fulfil your potential through learning.

Achievement

Skill Up is like a series of learning 'stepping stones'. While you are on the programme you will work towards various qualifications.

Personalised learning programme

Together we will discuss and agree an individual learning programme, reflecting where you are now and the destination you want to get to. Your learning programme will integrate vocational learning including work experience, personal and social development, and functional skills.

Progression

Skill Up will help you get to where you want to go - whether that's: an Apprenticeship; Employment; Independent Living or college.

Skill Up is available across Shropshire. County Training have training centres in Oswestry, Whitchurch, Shrewsbury, Telford and Ludlow which are close to the main town centres and are easily accessible by public transport.
