- 4.4 Tenderers should note that their Tender must remain open and valid and capable of acceptance for a period of at least 90 days.
- 4.5 Tenderers should note that Tenders and supporting documents must be written in English and that any subsequent contract, which may or may not be entered into, its formation, interpretation and performance, shall be subject to and in accordance with the laws of England and subject to the jurisdiction of the Courts of England and Wales.

- 5.1 The Council is interested in alternative solutions which would provide and develop opportunities for savings in service costs, service improvement or other financial benefits. In particular, the Council wishes to encourage solutions which also deliver benefits and added value to the local economy, residents and the business community.
- 5.2 Tenderers may submit, at their discretion, a Tender offering a different approach to the project as a "Variant Bid". However, to permit comparability, at least one bid must be submitted strictly in accordance with the Invitation to Tender Documents (the "Compliant Tender"). Any Tender variant proposed must clearly state how it varies from the requirements of the Compliant Tender Documents, and be explicit in demonstrating the benefits that will accrue to the Council from adopting this approach. Tenderers will be required to identify which submission, in their view, demonstrates best value to the Council.
- 5.3 Variant Bids must contain sufficient financial and operational detail to allow any Variant Bid to be compared with the standard Tender, permitting its considerations in written form.

6.0 Tender Evaluation

- 6.1 The Tenderers may be called for interview to seek clarification of their tender or additional or supplemental information in relation to their tender. The presentations will not carry any weighting to the final score achieved by Tenderers, but will be used to clarify and moderate issues raised in the Tenderer's submissions. Any areas of discrepancy between submissions and information gained from the presentations will be reviewed and scores previously awarded will be amended if necessary.
- 6.2 If the Council suspects that there has been an error in the pricing of a Tender, the Council reserves the right to seek such clarification, as it considers necessary from

the Tenderer in question.

7.0 Clarifications

- 7.1** Tenderers are responsible for clarifying any aspects of the tendering process and/or the Invitation to Tender documents in the manner described below.
- 7.2** If you are unsure of any section and require further clarification, please contact via our Delta Tenderbox.

These responses shall have the full force of this Instruction and where appropriate the Conditions of Contract. If a Tenderer wishes the Council to treat a question as confidential this must be expressly stated. The Council will consider such requests and will seek to act fairly between the Tenderers, whilst meeting its public law and procurement duties in making its decision.
- 7.6** Except as directed in writing by the Authorised Officer, and confirmed in writing to a Tenderer, no agent or officer or elected Member (Councillor) of the Council has any express or implied authority to make any representation or give any explanation to Tenderers as to the meaning of any of the Tender Documents, or as to anything to be done or not to be done by a Tenderer or to give any warranties additional to those (if any) contained in the ITT or as to any other matter or thing so as to bind the Council in any way howsoever.

The Council reserves the right to amend, withdraw, terminate or suspend all or any part of this procurement process at any time at its sole discretion.

- 9.6** The Council may disclose detailed information relating to the Invitation to Tender to its officers, employees, agents, professional advisors or Governmental organisations and the Council may make any of the Contracts and procurement documents available for private inspection by its officers, employees, agents, professional advisors, contracting authorities or Governmental organisations.

Therefore any indication of a pricing strategy within a Tender which provides for substantial payments at the outset of the Contract will be examined carefully to decide whether or not a Tender in such form can be accepted. If in the opinion of the Council such substantial payments appear excessive in relation to the requirements of the Contract the Council reserves, without prejudice to any other right to reject any Tender it may have, the right to require the Tenderer to spread such proportion of the costs as are considered excessive over the duration of the Contract.

1.3 General Contract Performance

The Client will operate a Performance Monitoring System for the Contractor working under this Contract, to enable the recording of and act on, under performance in respect of performance, price and quality.

The system will be a RAG (Red, Amber, and Green) traffic light system for any works done under the scope of the contact, this is also to include day works. A Contractor who performs adequately and in accordance with our requirements will be recorded as ‘Green’, all Contractors will start with a Green status by default.

The monitoring areas will generally be, but are not restricted to:

1. Health and Safety/Insurance

2. Quality of Workmanship
3. Programme
4. Cost
5. Attendance

Examples of issues that could lead to an Improvement, Registration of Concern or Warning Notice being raised are repeated instances of:- H & S lapses on sites, Failures to produce timely H & S Plans/Manuals, unacceptable work, poor workmanship, use of non-specified materials without authorisation, inadequate control of sub-contractors, lack of adequate services commissioning, insufficient provision of resources, **inadequate programming**, failure to adhere to timescales/sectional completions, failure to provide financial information, untimely provision of final accounts.

4. Termination Notice - Issue to the Contractor a "Termination (Red) Notice" recording the issues, previous Notifications and advising of termination of the contract. Issue will be via formal letter.

Under exceptional circumstances an issue may be notified and recorded which would warrant an immediate "Red" notification being issued, similarly two notifications in the same monitoring area can result in the same action.

Name	Relationship

Please note:

This information is collected to enable the Council to ensure that tenders are assessed without favouritism. Whether or not you have a connection with elected members or employees will have no bearing on the success of your tender, but your tender will not be considered unless this declaration has been completed.

SECTION B

Standard Selection Questionnaire

Potential Supplier Information and Exclusion Grounds: Part 1 and Part 2.

The standard Selection Questionnaire is a self-declaration, made by you (the potential supplier), that you do not meet any of the grounds for exclusion. If there are grounds for exclusion (there is an opportunity to explain the background and any measures you have taken to rectify the situation (we call this self-cleaning). For the list of exclusion please see

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/551130/List_of_Mandatory_and_Discretionary_Exclusions.pdf

A completed declaration of Part 1 and Part 2 provides a formal statement that the organisation making the declaration has not breached any of the exclusions grounds. Consequently we require all the organisations that you will rely on to meet the selection criteria to provide a completed Part 1 and Part 2. For example these could be parent companies, affiliates, associates, or essential sub-contractors, if they are relied upon to meet the selection criteria. This means that where you are joining in a group of organisations, including joint ventures and partnerships, each organisation in that group must complete one of these self-declarations. Sub-contractors that you rely on to meet the selection criteria must also complete a self-declaration (although sub-contractors that are not relied upon do not need to complete the self-declaration).

When completed, this form is to be sent back to the contact point given in the procurement documents along with the selection information requested in the procurement documentation.

Supplier Selection Questions: Part 3

This document provides instructions on the selection questions you need to respond to and how to submit those responses. If you are bidding on behalf of a group (consortium) or you intend to use sub-contractors, you should complete all of the selection questions on behalf of the consortium and/or any sub-contractors.

If the relevant documentary evidence referred to in the Selection Questionnaire is not provided upon request and without delay we reserve the right to amend the contract award decision and award to the next compliant bidder.

Consequences of misrepresentation

If you seriously misrepresent any factual information in filling in the Selection Questionnaire, and so induce an authority to enter into a contract, there may be significant consequences. You may be excluded from the procurement procedure, and from bidding for other contracts for three years. If a contract has been entered into you may be sued for damages and the contract may be rescinded. If fraud, or fraudulent intent, can be proved, you or your responsible officers may be prosecuted and convicted of the offence of fraud by false representation, and you must be excluded from further procurements for five years.

Notes for completion

1. The “authority” means the contracting authority, or anyone acting on behalf of the contracting authority, that is seeking to invite suitable candidates to participate in this procurement process.
2. “You” / “Your” refers to the potential supplier completing this standard Selection Questionnaire i.e. the legal entity responsible for the information provided. The term “potential supplier” is intended to cover any economic operator as defined by the Public Contracts Regulations 2015 (referred to as the “regulations”) and could be a registered company; the lead contact for a group of economic operators; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.
3. Please ensure that all questions are completed in full, and in the format requested. If the question does not apply to you, please state ‘N/A’. Should you need to provide additional information in response to the questions, please submit a clearly identified annex.
4. The authority recognises that arrangements set out in section 1.2 of the standard Selection Questionnaire, in relation to a group of economic operators (for example, a consortium) and/or use of sub-contractors, may be subject to change and will, therefore, not be finalised until a later date. The lead contact should notify the authority immediately of any change in the proposed arrangements and ensure a completed Part 1 and Part 2 is submitted for any new organisation relied on to meet the selection criteria. The authority will make a revised assessment of the submission based on the updated information.
5. For Part 1 and Part 2 every organisation that is being relied on to meet the selection must complete and submit the self-declaration.
6. **Note for Contracting Authorities: The following paragraph is optional for inclusion if a decision has been made to request a self-declaration of the exclusion grounds from sub-contractors. All sub-contractors are required to complete Part 1 and Part 2¹.**
7. For answers to Part 3 - If you are bidding on behalf of a group, for example, a consortium, or you intend to use sub-contractors, you should complete all of the questions on behalf of the consortium and/ or any sub-contractors, providing one composite response and declaration.

The authority confirms that it will keep confidential and will not disclose to any third parties any information obtained from a named customer contact, other than to the Cabinet Office and/or contracting authorities defined by the regulations, or pursuant to an order of the court or demand made by any competent authority or body where the authority is under a legal or regulatory obligation to make such a disclosure.

(f) terminate or give notice to terminate the employment or contracts of any persons on the Contractor's Provisional Personnel List save by due disciplinary process, and shall promptly notify, and procure that each Sub-contractor shall promptly notify, the Council or, at the direction of the Council, any Replacement Provider and any Replacement Sub-contractor of any notice to terminate employment given by the Contractor or relevant Sub-contractor or received from any persons listed on the Contractor's Provisional Personnel List regardless of when such notice takes effect.

6.6 During the Term, the Contractor shall provide, and shall procure that each Sub-contractor shall provide, to the Council any information the Council may reasonably require relating to the manner in which the Services are organised, which shall include:

- (a) the numbers of employees engaged in providing the Services;

Without prejudice to the generality of the foregoing, within 5 Working Days following the Service Transfer Date, the Contractor shall provide, and shall procure that each Sub-contractor shall provide, to the Council or, at the direction of the Council, to any Replacement Provider and/or any Replacement Sub-contractor (as appropriate), in respect of each person on the Contractor's Final Personnel List who is a Transferring Contractor Employee:

6.8 The Council regards compliance with this paragraph 6 as fundamental to the Agreement. The maximum sum that may be retained under this paragraph 6.8 shall not exceed an amount equivalent to the Charges that would be payable in the [three] month period following the Contractor's failure to comply with paragraphs 6.1 or 6.2, as the case may be.

6.9 Any change to the Staffing Information which would increase the total employment costs of the staff in the [six] months prior to termination of this Agreement shall not (so far as reasonably practicable) take place without the Council's prior written consent, unless such changes are required by law. The Contractor shall supply to the Council full particulars of such proposed changes and the Council shall be afforded reasonable time to consider them.

6.10 The Contractor shall indemnify and shall keep indemnified in full the Council and at the Council's request any Replacement Provider against all Direct Losses arising from any claim by any party as a result of the Contractor or sub-contractor failing to provide or promptly to provide the Council and/or any Replacement Provider where requested by the Council with any information required under this Clause 6.1 to 6.4 inclusive ("the Retendering Information") and/or Employee Liability Information or to provide full Retendering Information and/or Employee Liability Information or as a result of any material inaccuracy in or omission from the Retendering Information and/or Employee Liability Information provided that this indemnity shall not apply to the extent that such information was originally provided to the Contractor or any sub-contractor by the Council and was materially inaccurate or incomplete when originally provided.

7. EMPLOYMENT REGULATIONS EXIT PROVISIONS

7.1 The Council and the Contractor acknowledge that subsequent to the commencement of the provision of the Services, the identity of the provider of the Services (or any part of the Services) may change (whether as a result of termination or Partial Termination of this Contract or otherwise) resulting in the Services being undertaken by a Replacement Provider and/or a Replacement Sub-contractor. Such change in the identity of the Contractor of such services may constitute a Relevant Transfer to which the Employment Regulations and/or the Acquired Rights Directive will

apply. The Council and the Contractor further agree that, as a result of the operation of the Employment Regulations, where a Relevant Transfer occurs, the contracts of employment between the Contractor and the Transferring Contractor Employees (except in relation to any contract terms disapplied through operation of regulation 10(2) of the Employment Regulations) will have effect on and from the Service Transfer Date as if originally made between the Replacement Provider and/or a Replacement Sub-contractor (as the case may be) and each such Transferring Contractor Employee.

7.2 The Contractor shall, and shall procure that each Sub-contractor shall, comply with all its obligations in respect of the Transferring Contractor Employees arising under the Employment Regulations in respect of the period up to (and including) the Service Transfer Date and shall perform and discharge, and procure that each Sub-contractor shall perform and discharge, all its obligations in respect of all the Transferring Contractor Employees and other employees or former employees of the Contractor or each Sub-contractor (who had been engaged in the provision of the Services) arising in respect of the period up to (and including) the Service Transfer Date (including the payment of all remuneration, benefits, entitlements and outgoings, all wages, accrued but untaken holiday pay, bonuses, commissions, payments of PAYE, national insurance contributions and pension contributions which in any case are attributable in whole or in part to the period ending on (and including) the Service Transfer Date) and any necessary apportionments in respect of any periodic payments shall be made between: (i) the Contractor and/or the Sub-contractor (as appropriate); and (ii) the Replacement Provider and/or Replacement Sub-contractor.

7.3 Subject to clause 7.4, the Contractor shall indemnify the Council and/or the Replacement Provider and/or any Replacement Sub-contractor against any Employee Liabilities in respect of any Transferring Contractor Employee (or, where applicable any employee representative as defined in the Employment Regulations) arising from or as a result of:

- (a) any act or omission of the Contractor or any Sub-contractor whether occurring before, on or after the Service Transfer Date;
- (b) the breach or non-observance by the Contractor or any Sub-contractor occurring on or before the Service Transfer Date of:
 - (i) any collective agreement applicable to the Transferring Contractor Employees; and/or

- (ii) any other custom or practice with a trade union or staff association in respect of any Transferring Contractor Employees which the Contractor or any Sub-contractor is contractually bound to honour;
- (c) any claim by any trade union or other body or person representing any Transferring Contractor Employees arising from or connected with any failure by the Contractor or a Sub-contractor to comply with any legal obligation to such trade union, body or person arising on or before the Service Transfer Date;
- (d) any proceeding, claim or demand by HMRC or other statutory Council in respect of any financial obligation including, but not limited to, PAYE and primary and secondary national insurance contributions:
 - (i) in relation to any Transferring Contractor Employee, to the extent that the proceeding, claim or demand by HMRC or other statutory Council relates to financial obligations arising on and before the Service Transfer Date; and
 - (ii) in relation to any employee who is not a Transferring Contractor Employee, and in respect of whom it is later alleged or determined that the Employment Regulations applied so as to transfer his/her employment from the Contractor to the Council and/or Replacement Provider and/or any Replacement Sub-contractor, to the extent that the proceeding, claim or demand by HMRC or other statutory Council relates to financial obligations arising on or before the Service Transfer Date;
- (e) a failure of the Contractor or any Sub-contractor to discharge or procure the discharge of all wages, salaries and all other benefits and all PAYE tax deductions and national insurance contributions relating to the Transferring Contractor Employees in respect of the period up to (and including) the Service Transfer Date);
- (f) any claim made by or in respect of any person employed or formerly employed by the Contractor or any Sub-contractor other than a Transferring Contractor Employee for whom it is alleged the Council and/or the Replacement Provider and/or any Replacement Sub-contractor may be liable by virtue of this Contract and/or the Employment Regulations and/or the Acquired Rights Directive; and
- (g) any claim made by or in respect of a Transferring Contractor Employee or any appropriate employee representative (as defined in the Employment Regulations) of any Transferring Provider Employee relating to any act or omission of the Contractor or any Sub-contractor in relation to its obligations under regulation 13 of the Employment Regulations, except to the extent that the liability arises from

the failure by the Council and/or Replacement Provider to comply with regulation 13(4) of the Employment Regulations.

7.4 The indemnities in clause 7.3 shall not apply to the extent that the Employee Liabilities arise or are attributable to an act or omission of the Replacement Provider and/or any Replacement Sub-contractor whether occurring or having its origin before, on or after the Service Transfer Date, including any Employee Liabilities:

- (a) arising out of the resignation of any Transferring Contractor Employee before the Service Transfer Date on account of substantial detrimental changes to his/her working conditions proposed by the Replacement Provider and/or any Replacement Sub-contractor to occur in the period on or after the Service Transfer Date); or
- (b) arising from the Replacement Provider's failure, and/or Replacement Sub-contractor's failure, to comply with its obligations under the Employment Regulations.

7.5 If any person who is not a Transferring Contractor Employee claims, or it is determined in relation to any person who is not a Transferring Contractor Employee, that his/her contract of employment has been transferred from the Contractor or any Sub-contractor to the Replacement Provider and/or Replacement Sub-contractor pursuant to the Employment Regulations or the Acquired Rights Directive, then:

- (a) the Council shall procure that the Replacement Provider shall, or any Replacement Sub-contractor shall, within five Working Days of becoming aware of that fact, give notice in writing to the Contractor; and
- (b) the Contractor may offer (or may procure that a Sub-contractor may offer) employment to such person within 15 Working Days of the notification by the Replacement Provider and/or any and/or Replacement Sub-contractor or take such other reasonable steps as it considers appropriate to deal with the matter provided always that such steps are in compliance with Law.

7.6 If such offer is accepted, or if the situation has otherwise been resolved by the Contractor or a Sub-contractor, the Council shall procure that the Replacement Provider shall, or procure that the Replacement Sub-contractor shall, immediately release or procure the release of the person from his/her employment or alleged employment.

7.7 If after the 15th Working Day period specified in clause 7.5(b) has elapsed:

- (a) no such offer of employment has been made;

(b) such offer has been made but not accepted; or

(c) the situation has not otherwise been resolved

the Council shall advise the Replacement Provider and/or Replacement Sub-contractor, as appropriate that it may within five Working Days give notice to terminate the employment or alleged employment of such person.

7.8 Subject to the Replacement Provider and/or Replacement Sub-contractor acting in accordance with the provisions of clause 7.5 to clause 7.7, and in accordance with all applicable proper employment procedures set out in applicable Law, the Contractor shall indemnify the Replacement Provider and/or Replacement Sub-contractor against all Employee Liabilities arising out of the termination pursuant to the provisions of clause 7.7 provided that the Replacement Provider takes, or shall procure that the Replacement Sub-contractor takes, all reasonable steps to minimise any such Employee Liabilities.

7.9 The indemnity in clause 7.8:

(a) shall not apply to:

(i) in any case in relation to any alleged act or omission of the Replacement Provider and/or Replacement Sub-contractor, any claim for: (A) discrimination, including on the grounds of sex, race, disability, age, gender reassignment, marriage or civil partnership, pregnancy and maternity or sexual orientation, religion or belief; or (B) equal pay or compensation for less favourable treatment of part-time workers or fixed-term employees; or

(ii) any claim that the termination of employment was unfair because the Replacement Provider and/or Replacement Sub-contractor neglected to follow a fair dismissal procedure; and

(b) shall apply only where the notification referred to in clause 7.5(a) is made by the Replacement Provider and/or Replacement Sub-contractor to the Contractor within six months of the Service Transfer Date.

7.10 If any such person as is described in clause 7.5 is neither re-employed by the Contractor or any Sub-contractor nor dismissed by the Replacement Provider and/or Replacement Sub-contractor within the time scales set out in clause 7.5 to clause 7.7, such person shall be treated as a Transferring Contractor Employee and the Replacement Provider and/or Replacement Sub-contractor shall comply with such obligations as may be imposed upon it under applicable Law.

7.11 Not Used.

7.12 The Contractor shall, and shall procure that each Sub-contractor shall, promptly provide to the Council and any Replacement Provider and/or Replacement Sub-contractor, in writing such information as is necessary to enable the Council, the Replacement Provider and/or Replacement Sub-contractor to carry out their respective duties under regulation 13 of the Employment Regulations. The Council shall procure that the Replacement Provider and/or Replacement Sub-contractor, shall promptly provide to the Contractor and each Sub-contractor in writing such information as is necessary to enable the Contractor and each Sub-contractor to carry out their respective duties under regulation 13 of the Employment Regulations.

7.13 Subject to clause 7.14, the Council shall procure that the Replacement Provider indemnifies the Contractor on its own behalf and on behalf of any Replacement Sub-contractor and its sub-contractors against any Employee Liabilities in respect of each Transferring Contractor Employee (or, where applicable any employee representative (as defined in the Employment Regulations) of any Transferring Contractor Employee) arising from or as a result of:

- (a) any act or omission of the Replacement Provider and/or Replacement Sub-contractor;
- (b) the breach or non-observance by the Replacement Provider and/or Replacement Sub-contractor on or after the Service Transfer Date of:
 - (i) any collective agreement applicable to the Transferring Contractor Employees; and/or
 - (ii) any custom or practice in respect of any Transferring Contractor Employees which the Replacement Provider and/or Replacement Sub-contractor is contractually bound to honour;
- (c) any claim by any trade union or other body or person representing any Transferring Contractor Employees arising from or connected with any failure by the Replacement Provider and/or Replacement Sub-contractor to comply with any legal obligation to such trade union, body or person arising on or after the Service Transfer Date;
- (d) any proposal by the Replacement Provider and/or Replacement Sub-contractor to change the terms and conditions of employment or working conditions of any Transferring Contractor Employees on or after their transfer to the Replacement Provider or Replacement Sub-contractor (as the case may be) on the Relevant

Transfer Date, or to change the terms and conditions of employment or working conditions of any person who would have been a Transferring Contractor Employee but for their resignation (or decision to treat their employment as terminated under regulation 4(9) of the Employment Regulations) before the Service Transfer Date as a result of or for a reason connected to such proposed changes;

(e) any statement communicated to or action undertaken by the Replacement Provider or Replacement Sub-contractor to, or in respect of, any Transferring Contractor Employee on or before the Service Transfer Date regarding the Relevant Transfer which has not been agreed in advance with the Contractor in writing;

(f) any proceeding, claim or demand by HMRC or other statutory Council in respect of any financial obligation including, but not limited to, PAYE and primary and secondary national insurance contributions:

(i) in relation to any Transferring Contractor Employee, to the extent that the proceeding, claim or demand by HMRC or other statutory Council relates to financial obligations arising after the Service Transfer Date; and

(ii) in relation to any employee who is not a Transferring Contractor Employee, and in respect of whom it is later alleged or determined that the Employment Regulations applied so as to transfer his/her employment from the Contractor or Sub-contractor, to the Replacement Contractor or Replacement Sub-contractor to the extent that the proceeding, claim or demand by HMRC or other statutory Council relates to financial obligations arising after the Service Transfer Date;

(g) a failure of the Replacement Provider or Replacement Sub-contractor to discharge or procure the discharge of all wages, salaries and all other benefits and all PAYE tax deductions and national insurance contributions relating to the Transferring Contractor Employees in respect of the period from (and including) the Service Transfer Date; and

(h) any claim made by or in respect of a Transferring Contractor Employee or any appropriate employee representative (as defined in the Employment Regulations) of any Transferring Contractor Employee relating to any act or omission of the Replacement Provider or Replacement Sub-contractor in relation to obligations under regulation 13 of the Employment Regulations.

7.14 The indemnities in clause 7.13 shall not apply to the extent that the Employee Liabilities arise or are attributable to an act or omission of the Contractor and/or any Sub-contractor (as applicable) whether occurring or having its origin before, on or after the Service Transfer Date, including any Employee Liabilities arising from the failure by the

Contractor and/or any Sub-contractor (as applicable) to comply with its obligations under the Employment Regulations.

7.15 The parties shall co-operate to ensure that any requirement to inform and consult with the employees and or employee representatives in relation to any Relevant Transfer to a Replacement Provider will be fulfilled.

7.16 The parties agree that the Contracts (Rights of Third Parties) Act 1999 shall apply to clause 6 and 7, to the extent necessary to ensure that any Replacement Provider shall have the right to enforce the obligations owed to, and indemnities given to, the Replacement Provider by the Contractor or the Council in its own right under section 1(1) of the Contracts (Rights of Third Parties) Act 1999.

7.17 Despite clause 7.16, it is expressly agreed that the parties may by agreement rescind or vary any terms of this Agreement without the consent of any other person who has the right to enforce its terms or the term in question despite that such rescission or variation may extinguish or alter that person's entitlement under that right.
