- 11.2** In certain circumstances, and in accordance with the Code of Practice issued under section 45 of the Act, Shropshire Council may consider it appropriate to ask you for your views as to the release of any information before we make a decision as to how to respond to a request. In dealing with requests for information under the Act, Shropshire Council has to comply with a strict timetable and it would therefore expect a timely response to any such consultation within five working days.
- 11.3** If, at any stage of this tendering process, you provide any information to Shropshire Council in the expectation that it will be held in confidence, then you must make it clear in your documentation as to the information to which you consider a duty of confidentiality applies. The use of blanket protective markings such as “commercial in confidence” will no longer be appropriate and a clear indication as to what material is to be considered confidential and why should be given.
- 11.4** Shropshire Council will not be able to accept that trivial information or information which by its very nature cannot be regarded as confidential should be subject to any obligation of confidence.
- 11.5** In certain circumstances where information has not been provided in confidence, Shropshire Council may still wish to consult with you as to the application of any other exemption such as that relating to disclosure that will prejudice the commercial interests of any party. However the decision as to what information will be disclosed will be reserved to Shropshire Council.

Therefore any indication of a pricing strategy within a Tender which provides for substantial payments at the outset of the Contract will be examined carefully to decide whether or not a Tender in such form can be accepted. If in the opinion of the Council such substantial payments appear excessive in relation to the requirements of the Contract the Council reserves, without prejudice to any other right to reject any Tender it may have, the right to require the Tenderer to spread such proportion of the costs as are considered excessive over the duration of the Contract.

final % difference in the initial marks between those tenders and the tender receiving the highest initial mark for Quality overall.

Price Evaluation and scoring (Block Contract element)

The most competitively priced tender will receive the maximum mark for price being **80**. **Less competitive tenders** will receive a % of the maximum mark that represents the difference in cost between that tender and the most competitively priced tender.

SECTION B

Standard Selection Questionnaire

Potential Supplier Information and Exclusion Grounds: Part 1 and Part 2.

The standard Selection Questionnaire is a self-declaration, made by you (the potential supplier), that you do not meet any of the grounds for exclusion. If there are grounds for exclusion (there is an opportunity to explain the background and any measures you have taken to rectify the situation (we call this self-cleaning). For the list of exclusion please see

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/551130/List_of_Mandatory_and_Discretionary_Exclusions.pdf

A completed declaration of Part 1 and Part 2 provides a formal statement that the organisation making the declaration has not breached any of the exclusions grounds. Consequently we require all the organisations that you will rely on to meet the selection criteria to provide a completed Part 1 and Part 2. For example these could be parent companies, affiliates, associates, or essential sub-contractors, if they are relied upon to meet the selection criteria. This means that where you are joining in a group of organisations, including joint ventures and partnerships, each organisation in that group must complete one of these self-declarations. Sub-contractors that you rely on to meet the selection criteria must also complete a self-declaration (although sub-contractors that are not relied upon do not need to complete the self-declaration).

When completed, this form is to be sent back to the contact point given in the procurement documents along with the selection information requested in the procurement documentation.

Supplier Selection Questions: Part 3

This document provides instructions on the selection questions you need to respond to and how to submit those responses. If you are bidding on behalf of a group (consortium) or you intend to use sub-contractors, you should complete all of the selection questions on behalf of the consortium and/or any sub-contractors.

If the relevant documentary evidence referred to in the Selection Questionnaire is not provided upon request and without delay we reserve the right to amend the contract award decision and award to the next compliant bidder.

Consequences of misrepresentation

If you seriously misrepresent any factual information in filling in the Selection Questionnaire, and so induce an authority to enter into a contract, there may be significant consequences. You may be excluded from the procurement procedure, and from bidding for other contracts for three years. If a contract has been entered into you may be sued for damages and the contract may be rescinded. If fraud, or fraudulent intent, can be proved, you or your responsible officers may be prosecuted and convicted of the offence of fraud by false representation, and you must be excluded from further procurements for five years.

Notes for completion

1. The “authority” means the contracting authority, or anyone acting on behalf of the contracting authority, that is seeking to invite suitable candidates to participate in this procurement process.

2. “You” / “Your” refers to the potential supplier completing this standard Selection Questionnaire i.e. the legal entity responsible for the information provided. The term “potential supplier” is intended to cover any economic operator as defined by the Public Contracts Regulations 2015 (referred to as the “regulations”) and could be a registered company; the lead contact for a group of economic operators; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.
3. Please ensure that all questions are completed in full, and in the format requested. If the question does not apply to you, please state ‘N/A’. Should you need to provide additional information in response to the questions, please submit a clearly identified annex.
4.
