Driver Licence - Advice for Applicants

Shropshire Council can accept applications for drivers' licences from any area, however before a person applies they need to consider where they will be primarily working.

If it is the intention to apply for a hackney carriage or private hire vehicle licence, once a driver's badge has been granted, our hackney carriage vehicle application form asks the following:

"Please indicate the geographical area you will primarily work from and the amount of time spent working there"

Where a person indicates that a vehicle will be used outside the Shropshire Council area, the application will be considered by the Council's Licensing Panel. The Panel Members will decide whether the Council can reasonably fulfil its obligations to enforce. It may be that if the area is some distance away, the licence will not be granted.

Applicants should consider the possibility of not being able to licence their vehicle before going to the expense of licensing as a Shropshire Council hackney carriage/private hire driver as no refunds can be given after a licence has been granted.

Our Licensing Panel meet once a month, therefore applicants may need to wait for up to a month before an application for a vehicle licence is determined.
