SHROPSHIRE ARCHIVES: ONLINE PARTNERSHIP

Service Concession: Specification and Guide for Expression of Interest

Summary

Shropshire Archives is seeking an agreement with a partner to create, provide and maintain a successful mechanism for on-line chargeable access to Shropshire sources, particularly relating to family history.

Current situation

Shropshire Archives holds approximately five and a half miles of archives and printed resources relating to the county. Within these collections, Shropshire Archives holds by far the largest group of records providing core family history and related sources for those tracing Shropshire ancestors. Currently these are available at Shropshire Archives in Shrewsbury. The service now wished to make them available online via a chargeable web based service hosted by an external service provider.

Over the last 12 months Shropshire Archives has undertaken a programme of digitisation which has copied 3,300 parish and non conformist registers (approx 250,000 images). These images are now available for on-line hosting. Shropshire Archives will provide a catalogue of summary information for each volume supplied.

Description of proposed service

The external service provider would be expected to:

- Host the images created by Shropshire Archives on a website
- Index the information in the records and link these to the images.
- Create a charging mechanism to secure income to Shropshire Archives, either through a royalty or direct payments.
- Maintain the website to a high standard within current industry standards
- Market and promote the website

Partners may offer to support all or several of these functions. If the offer is selective, then plans for the alternative provision for the remaining sections are required.

Until a searchable index linked to the relevant images is available, the partner will provide a facility to browse images by volume. The partner will continue to provide this facility once the full index is available.

Where the income derived from the website is shared between a commercial organisation and Shropshire Archives, the formula for the agreed royalty payable to Shropshire Archives must be fully transparent and verifiable. Any commercial partner must agree to provide a full account of all agreed payments to Shropshire Archives.

The new service will sit alongside existing on-site services for customers which Shropshire Archives will continue to provide.

Branding

The on-line publishing of Shropshire Archives content must allow for the clear identification of the original source of the records. This branding must be agreed by Shropshire Archives before any content is made accessible on-line.

Copyright and Access

Copyright of the images will remain the property of Shropshire Archives. Free access to the on-line service is required for on-site customers at Shropshire Archives, and specified partner bodies.

Business Continuity, Security and Audit requirements

Shropshire Archives expects potential partners to provide detailed descriptions of their business continuity preparations insofar as they relate to:

- the storage and protection of the data prepared from Shropshire sources.
- the fall-back/failover arrangements for the provision of the web service

- assure compliance with the Data Protection Act 1998
- good security practices for the handling of financial transactions
- support all claims made under the Freedom of Information Act 2000.

Timescales

Shropshire Archives is looking to start this service and secure a revenue stream during the first part of the financial year (2013/14). An agreement is suggested for a maximum period of 5 years.

Proposal assessment criteria

The decision on the agreement will be based on the following assessment criteria:

- 1.5 Tenderers shall not at any time release information concerning the invitation to tender and/or the tender documents for publication in the press or on radio, television, screen or any other medium without the prior consent of the Council.
- 1.6 The fact that a Tenderer has been invited to submit a tender does not necessarily mean that it has satisfied the Council regarding any matters raised in the pre-tender questionnaire submitted. The Council makes no representations regarding the Tenderer's financial stability, technical competence or ability in any way to carry out the required services. The right to return to any matter raised in any pre-tender questionnaire submitted as part of the formal tender evaluation is hereby reserved by the Council.

requirements and tender accordingly. Should the Tenderer be in any doubt regarding the true meaning and intent of any element of the specification he is invited to have these fully resolved before submitting his Tender. No extras will be allowed for any loss or expense involved through any misunderstanding arising from his/her failure to comply with this requirement.

3.2.8 Any Tender error or discrepancy identified by the Council shall be drawn to the attention of the Tenderer who will be given the opportunity to correct, confirm or withdraw the Tender.

3.2.9 The Tender Documents must be treated as private and confidential. with the laws of England and subject to the jurisdiction of the Courts of England and Wales.

- 4.6 Where Tender submissions are incomplete the Council reserves the right not to accept them.

5.0 **Variant Bids**

- 5.1 The Council is interested in alternative solutions which would provide and develop opportunities for savings in service costs, service improvement or other financial benefits. In particular, the Council wishes to encourage solutions which also deliver benefits and added value to the local economy, residents and the business community.

- 5.2 Tenderers may submit, at their discretion, a Tender offering a different approach to the project as a "Variant Bid". However, to permit comparability, at least one bid must be submitted strictly in accordance with the Invitation to Tender Documents (the "Compliant Tender"). Any Tender variant proposed must clearly state how it varies from the requirements of the Compliant Tender Documents, and be explicit in demonstrating the benefits that will accrue to the Council from adopting this approach. Tenderers will be required to identify which submission, in their view, demonstrates best value to the Council.

- 5.3 Variant Bids must contain sufficient financial and operational detail to allow any Variant Bid to be compared with the standard Tender, permitting its considerations in written form.

6.0 **Tender Evaluation**

- 6.1 The Tenderers may be called for interview to seek clarification of their tender or additional or supplemental information in relation to their tender. The presentations will not carry any weighting to the final score achieved by Tenderers, but will be used to clarify and moderate issues raised in the Tenderer's submissions. Any areas of discrepancy between submissions and information gained from the presentations will be reviewed and scores previously awarded will be amended if necessary.

- 6.2 If the Council suspects that there has been an error in the pricing of a Tender, the Council reserves the right to seek such clarification, as it considers necessary from the Tenderer in question.

7.0 **Clarifications**

- 7.1 Tenderers are responsible for clarifying any aspects of the tendering process and/or the Invitation to Tender documents in the manner described below.

- 7.2 Any queries arising in relation to this invitation to tender should be raised in writing with [REDACTED] Commissioning and Procurement, Shropshire Council, Shirehall, Abbey Foregate, SHREWSBURY SY2 6ND (tel: [REDACTED]) (email: procurement@shropshire.gov.uk) quoting the contract reference and title.

- 7.4** All queries should be raised as soon as possible (in writing), in any event not later than 15 March 2013.
- 7.5** All information or responses that clarify or enhance the tendering process will be supplied to all Tenderers on a uniform basis (unless expressly stated otherwise). These responses shall have the full force of this Instruction and where appropriate the Conditions of Contract. If a Tenderer wishes the Council to treat a question as confidential this must be expressly stated. The Council will consider such requests and will seek to act fairly between the Tenderers, whilst meeting its public law and procurement duties in making its decision.
- 7.6** Except as directed in writing by the Authorised Officer, and confirmed in writing to a Tenderer, no agent or officer or elected Member (Councillor) of the Council has any express or implied authority to make any representation or give any explanation to Tenderers as to the meaning of any of the Tender Documents, or as to anything to be done or not to be done by a Tenderer or to give any warranties additional to those (if any) contained in the ITT or as to any other matter or thing so as to bind the Council in any way howsoever.

8.3 At any time before the deadline for receipt of tender returns the Council may modify the Invitation to Tender by amendment. Any such amendment shall be numbered and dated and issued by the Council to all participating tenderers. In order to give prospective Tenderers reasonable time in which to take the amendment into account in preparing its Tender return, the Council may in its sole discretion, extend the deadline for submission of the tender returns. The Council reserves the right to amend, withdraw, terminate or suspend all or any part of this procurement process at any time at its sole discretion.

9.0 Confidentiality

9.1 All information supplied by the Council in connection with or in these Tender Documents shall be regarded as confidential to the Council unless the information is already within the public domain or subject to the provisions of the Freedom of Information Act 2000.

9.2 The Contract documents and publications are and shall remain the property of the Council and must be returned upon demand.

9.3 Tenderers shall ensure that each and every sub-contractor, consortium member and/or professional advisor to whom it discloses these papers complies with the terms and conditions of this ITT.

9.4.3 Tenderers shall not undertake any publicity activity within any section of the media.

- 9.5** Tenderers may disclose, distribute or pass this Invitation to tender to their professional advisors, sub-contractors or to another person provided that:
- 9.5.1** this is done for the sole purpose of enabling an Invitation to tender to be submitted and the person receiving the Information undertakes in writing to keep the Invitation to Tender confidential on the same terms as if that person were the Tenderer; or
 - 9.5.2** the Tenderer obtains the prior written consent of the Council in relation to such disclosure, distribution or passing of the Invitation to Tender; or
 - 9.5.3** the disclosure is made for the sole purpose of obtaining legal advice from external lawyers in relation to the procurement or to any Contract(s) which may arise from it; or

- 10.2** In certain circumstances, and in accordance with the Code of Practice issued under section 45 of the Act, Shropshire Council may consider it appropriate to ask you for your views as to the release of any information before we make a decision as to how to respond to a request. In dealing with requests for information under the Act, Shropshire Council has to comply with a strict timetable and it would therefore expect a timely response to any such consultation within five working days.
- 10.3** If, at any stage of this tendering process, you provide any information to Shropshire Council in the expectation that it will be held in confidence, then you must make it clear in your documentation as to the information to which you consider a duty of

confidentiality applies. The use of blanket protective markings such as “commercial in confidence” will no longer be appropriate and a clear indication as to what material is to be considered confidential and why should be given.

- 10.4** Shropshire Council will not be able to accept that trivial information or information which by its very nature cannot be regarded as confidential should be subject to any obligation of confidence.
- 10.5** In certain circumstances where information has not been provided in confidence, Shropshire Council may still wish to consult with you as to the application of any other exemption such as that relating to disclosure that will prejudice the commercial interests of any party. However the decision as to what information will be disclosed will be reserved to Shropshire Council.

11.0 Disqualification

- 11.1** The Council reserves the right to reject or disqualify a Tenderer’s Tender submission where:
 - 11.1.1** The tenderer fails to comply fully with the requirements of this Invitation to tender or is in breach of clause 15 of the Council’s General Terms and Conditions relating to Bribery and Corruption or is guilty of a serious or intentional or reckless misrepresentation in supplying any information required; or
 - 11.1.2** The tenderer is guilty of serious or intentional or reckless misrepresentation in relation to its tender return and/or the procurement process.
 - 11.1.3** The tenderer directly or indirectly canvasses any member, official or agent of the Council concerning the award of the contract or who directly or indirectly obtains or attempts to obtain information from any such person concerning any other Tender or proposed Tender for the services. The Canvassing Certificate must be completed and returned as instructed.
 - 11.1.4** The Tenderer :
 - a) Fixes or adjusts the amount of his Tender by or in accordance with any agreement or arrangements with any other person; or
 - b) Communicates to any person other than the Council the amount or approximate amount of his proposed Tender (except where such disclosure is made in confidence in order to obtain quotations necessary for preparation of the Tender for insurance purposes); or

11.3 The Council reserves the right to disqualify an Applicant from further participating in this procurement process where there is a change in the control or financial stability of the Tenderer at any point in the process up to award of a contract and such change of control or financial stability has a materially adverse effect on the Tenderer's financial viability or ability to otherwise meet the requirements of the procurement process.

12.0 E-Procurement

As part of its procurement strategy Shropshire Council is committed to the use of technology that can improve the efficiency of procurement. Successful Tenderers may be required to send or receive documents electronically. This may include purchase orders, acknowledgements, invoices, payment advices, or other procurement documentation. These will normally be in the Council's standard formats, but may be varied under some circumstances so as not to disadvantage small and medium suppliers.

13.0 Award of Contract

13.1 Award Criteria

The Award Criteria has been set out within the Tender Response Document accompanying this invitation to tender. The Council is not bound to accept the lowest or any Tender.

13.2 Award Notice

The Council will publish the name and addresses of the successful Tenderers in the Official Journal of the European Union (OJEU) where appropriate. The Contracting Authority reserves the right to pass all information regarding the outcome of the Tendering process to the Office of Fair Trading to assist in the discharge of its duties. Additionally, the Council will adhere to the requirements of the Freedom of Information Act 2000 and Tenderers should note this statutory obligation.

13.3 Transparency of Expenditure

Further to its obligations regarding transparency of expenditure, the Council may also be required to publish information regarding tenders, contracts and expenditure to the general public, which could include the text of any such documentation, except for any information which is exempt from disclosure in accordance with the provisions of the Freedom of Information Act to be determined at the absolute discretion of the Council.

14.0 Value of Contract

Shropshire Council cannot give any guarantee in relation to the value of this contract.

15.0 Acceptance

15.1 Tenders must be submitted strictly in accordance with the terms of the Council's Invitation to Tender documentation and acceptance of the tender shall be conditional on compliance with this Tender Condition.

15.2 The Tender documentation including, the General and Special Terms and Conditions of Contract, the Tender Response document, these Instructions to Tender, together with the formal written acceptance by the Council will form a binding agreement between the Contractor and the Council.

15.3 The Tenderer shall be prepared to commence the provision of the and services on the start date of the contract arrangement being 6 May 2013.

16.0 Payment Terms

Tenderers should particularly note that the principles governing public procurement require that, as far as is reasonably possible, payments for Goods, Works or Services are made after the provision. Therefore any indication of a pricing strategy within a Tender which provides for substantial payments at the outset of the Contract will be examined carefully to decide whether or not a Tender in such form can be accepted. If in the opinion of the Council such substantial payments appear excessive in relation to the requirements of the Contract the Council reserves, without prejudice to any other right to reject any Tender it may have, the right to require the Tenderer to spread such proportion of the costs as are considered excessive over the duration of the Contract.

17.0 Liability of Council

17.1 The Council does not bind himself to accept the lowest or any tender.

17.2 The Council does not accept any responsibility for any pre-tender representations made by or on its behalf or for any other assumptions that Tenderers may have drawn or will draw from any pre-tender discussions.

17.3 The Council shall not be liable to pay for any preparatory work or other work undertaken by the Tenderer for the purposes of, in connection with or incidental to this Invitation to Tender, or submission of its Tender response or any other communication between the Council and any other party as a consequence of the issue of this Invitation to Tender.

17.4 The Council shall not be liable for any costs or expenses incurred by any Tenderer in connection with the preparation of a Tender return for this procurement exercise, its participation in this procurement whether this procurement is completed, abandoned or suspended.

17.5 Whilst the Tender Documents have been prepared in good faith, they do not

purport to be comprehensive nor to have been formally verified. Neither the Council nor any of its staff, agents, elected Members, or advisers accepts any liability or responsibility for the adequacy, accuracy or completeness of any information given, nor do they make any representation or given any warranty, express or implied, with respect to the Tender Documents or any matter on which either of these is based (including, without limitation, any financial details contained within the Specification and Contract Documentation). Any liability is hereby expressly disclaimed save in the event of fraud, or in the event of specific warranties provided within the Contract Documentation.

18.0 Declaration

We, as acknowledged by the signature of our authorised representative, accept these Instructions to Tender as creating a contract between ourselves and the Council. We hereby acknowledge that any departure from the Instructions to Tender may cause financial loss to the Council.

Quality Questions/ Scoring Scheme

Questions within the quality sections shown above will be scored using the following scoring scheme. Each answer from the questions identified below will be given a mark between 0 and 10 with the following meanings:

Assessment	Mark	Interpretation
Excellent	10	<i>Exceeds the requirement. Exceptional demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response.</i>
	9	
Good	8	<i>Satisfies the requirement with minor additional benefits Above average demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response.</i>
	7	
Acceptable	6	<i>Satisfies the requirement. Demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures, with evidence to support the response.</i>
	5	
Minor Reservations	4	<i>Satisfies the requirement with minor reservations Some minor reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with limited evidence to support the response.</i>
	3	

Serious Reservations	2	<i>Satisfies the requirement with major reservations. Considerable reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response.</i>
	1	
Unacceptable	0	<i>Does not meet the requirement Does not comply and/or insufficient information provided to demonstrate how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response.</i>

The use of odd numbers indicates an answer's allocated mark lies between definitions.

The tender receiving the highest mark for each category will receive the full % available for that category. Other tenders will receive a % that reflects the difference in the marks between those tenders and the tender receiving the highest mark for that category.

Price Evaluation and scoring

Price will be assessed under Section H Q1 Revenue Generated and will be evaluated in four elements:-

The efficacy and transparency of the business model described in Section H Q1 (200 marks)

The anticipated revenue return to the Council over a 5 year period described in Section H Q 1.2 (400 marks); this will take into account the projected return over the contract period, and the likelihood of achieving that return. The largest plausible return will achieve maximum marks, other bids will receive a mark which is proportionally less to the largest return.
