

SCHOOL CYCLE PARKING PERMIT

(schools should adapt this to their own circumstances)

Cycling to School – Important Notice to Parents

While XXX school wishes to encourage an increase in the number of pupils cycling to school, the decision as to whether your child is competent to negotiate such hazards as may present themselves on the route from home to school and back must be yours and yours alone. XXX school does not accept liability for any consequences of that decision.

XXX school supports pupils who wish to walk or cycle to school since it improves their health and fitness, reduces traffic outside the school making conditions safer for everyone and benefits their general development. If you wish your son/daughter to cycle to school, would you please complete the form below. It is important that we know the numbers of children cycling to school even on an irregular basis in order that we can make appropriate security and safety arrangements.

Parents are advised to take out appropriate insurance cover as the school's insurance does not cover loss or damage to bicycles.

Cycle Helmets

Pupils are advised to wear a correctly fitted cycle helmet and use appropriate reflective clothing and bike lights when visibility is poor.

Conditions for Cycling to School

1. All bicycles must be in a roadworthy condition.
2. Cyclists must ride sensibly and follow the Highway Code.
3. Approved cycle training must have been undertaken, where available.
4. All bicycles must be locked securely in the approved cycle parking area.

XXX school reserves the right to revoke this permit in the event that these conditions are ignored.
