

PLEASE don't park on the raised area.

Respect the yellow zigzags - they are there so children can see and be seen. If you must drive to school, try to park well away from the school entrances. Do you let your child in and out of the car on the pavement side? It's a lot safer!

FROM THIS
TO THIS

Road Humps which slow you down, make it safer for vulnerable road users, especially school children and elderly people.

HOLD HANDS!

Children under eight years old can't cope with traffic.

DON'T FORGET!

Front or back always wear a seatbelt.

WALK THIS WAY
