 Other (please state)

**Customer details**

If other, then please specify

---

To ensure we maintain the high quality of education provision in Shropshire do you think these are the most important principles on which to build a policy?

Yes  No

If no, what else should be included?

---

---

---

---

Do you think that the proposed new policy entitlement is appropriate to ensure we can continue to deliver high quality education provision within Shropshire?

Yes  No

If no, what else would you suggest?

---

---
