THE COMMUNITY PAVILION, LLANFAIR WATERDINE, SHROPSHIRE

Your representation must relate to one of the following four Licensing Objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.

THE PREVENTION OF HARM TO CHILDREN

TO PREVENT PUBLIC NUISANCE Why does a small rural village need another licensed premises when there is already a long-established licensed premises - Everest Hall, nearby?

Llanfair Waterdine Community Trust reported in 2018 that this would be a community sports facility - now it wants to host plays, films, dancing and live and recorded music. This seems disproportionate - or is the pavilion about to become a pub in all but name?

TO PREVENT CRIME & DISORDER

Being a building on its own, with no resident Landlord, the pavilion could be a target for burglars wishing to steal alcohol or goods stored there.

PUBLIC SAFETY

The pavilion is sited off a narrow, mostly single-track, lane with several bends. Coupled with farm traffic and usual residents' traffic and deliveries, any extra traffic generated by an increase in events at this venue could be detrimental to residents/the environment and road safety.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary - refer to checklist.

It is understood that the pavilion has no specialist sound-proofing. This would need to be installed to prevent noise nuisance.

The hours requested for the licence are too broad and ~~should~~ should not extend beyond 11pm.

Generally if there is to be a hearing to determine the premises licence application, the sub-committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheets if necessary.

If you do make a representation you will be expected to attend the Licensing Sub Committee and any subsequent appeal process. All representations in their entirety, including your name and address, will be disclosed to the applicant for the premises licence and any other interested parties. If all parties agree, the application can be dealt with without holding a hearing.

TO PREVENT PUBLIC NUISANCE.

NOISE: The Community Field has been used for many years to host the village's annual Llanfair Wakes. This is a lively event where noise is well managed.

However, more recently the field has been used for ad hoc events which have generated a severe noise nuisance, seemingly without anyone in control.

If such a 'carte blanche' licence as applied for is granted, it's perfectly possible that totally separate events could be held simultaneously at Everest Hall and the Pavilion which - noise-wise and traffic-wise - ~~is~~ would be intolerable to near residents.
