

Re Bridgnorth Football Club.

I wish to Object to the application from Bridgnorth Football club to extend their opening hours and also to have live & recorded music playing. There are a lot of older people live in this location, parking is always a big problem when a match is on. The Flood lights shine into our bedroom windows. The noise and shouting is bad enough

as it is, without having to
put up with it till I am in
the morning, and then the
Shouting & Swearing & weeing
in our gardens when they
get turned out at that time
in the morning.

It is very unfair on the
residents
