Introduction

This statement has been prepared by Shropshire Council (the administering authority) to set out the governance compliance statement for the Shropshire County Pension Fund (the fund), in accordance with The Local Government Pension Scheme Regulations 2013 (regulation 55 refers) as amended. It has been prepared by the administering authority and in consultation with appropriate interested persons when a material change to the fund's policy is identified.

Purpose of the governance compliance statement

The regulations on governance compliance statements require an administering authority, after consultation with such persons as they consider appropriate, to prepare, maintain and publish a written statement setting out:

- a) whether it delegates its functions, or part of its functions, in relation to maintaining a pension fund to a committee, sub-committee or officer of the authority;
- b) and, if so, it must state:
 - The terms of reference, structure, and operational procedures of the delegation;
 - The frequency of any committee/sub-committee meetings;
 - Whether the committee/sub-committee includes representatives of employing authorities (including non-scheme employers) or scheme members and, if there are such representatives, whether they have voting rights.
- c) The extent to which delegation, or the absence of a delegation, complies with guidance by the Secretary of State and, to the extent that it does not so comply, the reasons for not complying.
- d) Details of the terms, structure and operational procedures relating to the local pension board established under regulation 106 (local pension boards: establishment).

Governance of Shropshire County Pension Fund

Shropshire Council as the administering authority delegates its functions under the regulations to the Pensions Committee.

Under the cabinet structure in local government, management of the pension fund is a non-executive function, and this is reflected in Shropshire Council's governance structure listed in Shropshire Council's Constitution.

The Pensions Committee was established in 1994 with responsibility for all matters relating to the management and administration of the Shropshire County Pension Fund. The Pensions Committee is a standing committee of the council and is linked to full council by the chairman or vice chairman being a Shropshire Council member.

Shropshire County Pension Fund's Pension Board was established by Shropshire Council in 2015 under the powers of Section 5 of the Public Service Pensions Act 2013 and in accordance with regulation 106 of the Local Government Pension Scheme Regulations 2013. The Pension Board operates independently of the Pensions Committee, details of which are set out in its terms of reference.

Pensions Committee

The Pensions Committee reports to full council. It meets formally at least quarterly and more frequently if formal decisions are required. In between meetings the chairman's approval may be sought

Terms of reference

- a) To advise the council on the arrangements for the proper administration of the Shropshire County Pension Fund in accordance with the Local Government Regulations 2013 and the Local Government Pension Scheme (Management and Investment of Funds) Regulations 2016 and any other relevant legislation;
- b) To advise employing organisations and employees within the fund of their benefits, contributions, and the financial performance of the fund;

- c) To advise and assist the council on the determination of any matters of general policy relating to the investment of the pension fund;

Operational procedures

Under the Pensions Committee's terms of reference, operational procedures include but are not limited to:

Structure of the Pensions Committee

Organisation	Allocation
Shropshire Council	four members
Borough of Telford	two members

and Wrekin Council (co-opted)	
Employees (co-opted)	two (non-voting) members
Retired members (co-opted)	one (non-voting) members

Shropshire Council always holds either the chairmanship or vice chairmanship. The position of chairman and vice chairman are held by Shropshire Council and the Borough of Telford & Wrekin members and are agreed on an annual basis.

The committee is supported by the advice from an independent advisor and investment consultant. The independent advisor advises on strategic issues and overall investment approach. The investment consultant provides analysis and advice of a technical nature in relation to portfolio construction, interpretation of performance measurement and the monitoring of investment managers. The committee can delegate implementation of investment decisions to the officers as they see fit. The officers and investment consultant meet separately on a quarterly basis at technical meetings to support this.

The role of scheme administrator is held by the Head of Pensions – LGPS Senior officer and provides financial (non-investment) advice to the committee. This includes advice on financial management, issues of compliance with internal regulations and controls, budgeting and accounting, and liaison with independent advisers. Legal advice is provided by either Shropshire Council's Legal and Democratic Services or using a third-party company. Formal statutory responsibility for the LGPS and fund investment lies with the administering authority who are answerable for the effective and prudent management of the scheme.

The power to co-opt rests with the council in full assembly and not with committees. Although, in practice the selection of persons to serve as co-opted members is usually left to committees. The co-opted members from the Borough of Telford & Wrekin are voting members.

The Pensions Committee can elect a co-opted member as its chairman, but in this instance the chairman is unable to:

- attend Shropshire Council meetings and pilot Pension Committee proposals through the full assembly;
- answer questions put to him/her there;

- represent the Pensions Committee on other committees within Shropshire Council or within LGPS Central

However, a Shropshire Council Vice-Chairman can deputise for the co-opted member chairman. Only Shropshire Council members can represent the fund at LGPS Central meetings.

Pension Board

Introduction and role

Shropshire County Pension Fund's local Pension Board was established by Shropshire Council in 2015 under the powers of Section 5 of the Public Service Pensions Act 2013 and in accordance with regulation 106 of the Local Government Pension Scheme Regulations 2013. Meetings are normally held at the offices of Shropshire Council and are quarterly each calendar year.

Terms

The role of the local Pension Board as defined by regulation 106 (1) of the LGPS Regulations, is to assist the administering authority to:

- secure compliance with the LGPS regulations and any other legislation relating to the governance and administration of the LGPS
- secure compliance with requirements imposed in relation to the LGPS by the Pensions Regulator to
- ensure the effective and efficient governance and administration of the LGPS for the Shropshire County Pension Fund.

Structure

The Pension Board should consist of a minimum of four voting members, currently set at six voting members and be constituted as follows:

- Three employer representatives
- Three scheme member representatives.

The Pensions Board operates a quorum constituting as two members, made up of one employer and one member representative.

Employer representatives shall be office holders or senior employees of employers of the fund or have experience of representing scheme employers in a similar capacity. Subject to restrictions as set out in the LGPS regulations, employer representatives can also include elected members. Member representatives shall be scheme members of the Shropshire County Pension Fund and have the capacity to represent scheme members of the fund.

An independent member and substitute members may also be included in the structure of the Pension Board at the discretion of the appointment panel. Substitute members for employer and scheme member representatives will have voting rights, but an independent member, or any other members appointed to the Pension Board by the appointment panel will not.

The appointment panel made up of the Legal Monitoring Officer and the Head of Pensions – LGPS Senior Officer (or their deputies) will determine any eligibility and/or selection criteria that will apply to Pension Board members having due regard to the LGPS regulations and any other relevant code of practice and guidance (statutory or otherwise). The selection process for representative members will be:

- Employer representatives – each employer will be invited to nominate one representative to represent employers on the Pension Board.
- Scheme member representatives – all active, deferred, and retired scheme members will be invited to submit applications to join the Pension Board.

The applications and nominations will then be subject to a selection process determined and carried out by the appointment panel. The chair and deputy chair will be determined by the appointment panel. The initial term of office will be for four years with a possible extension for up to two years.

- Duties and role of the chair in so far as they:
 - I. will ensure all meetings are productive and effective
 - II. ensure opportunity for all views to be heard, and

- III. seek to reach consensus and those decisions are properly put to vote where necessary.

Former or existing members of the Pension Board can be reappointed (under the appointment procedures) with no limit on the number of terms they may have.

Operational procedures

The council considers that the Pension Board is an oversight body, and it is not a decision-making body in relation to the management of the pension fund but makes recommendations to assist in such management. In undertaking its role, the Pension Board will ensure it:

- carries out duties effectively and efficiently
- complies with relevant legislation and
- complies with the code of practice on the governance and administration of public service pension schemes issued by The Pension Regulator and any other relevant statutory or non-statutory guidance.

Under the Pensions Board's terms of reference operational procedure include but are not limited to:

- The reporting of any concerns over a decision made by the Pension Committee to the Pension Committee subject to the agreement of at least 50% of voting Pension Board members if all voting members are present. If not, all voting members are present then the agreement should be of all voting members who are present, where the meeting remains quorate.
- Escalation route and procedures if necessary, regarding a breach of regulation /The Pension Regulator's code of practice previously reported to the Pensions Committee but not rectified in reasonable time.
- The requirement of members to be able to demonstrate their appropriate knowledge and understanding and to refresh and keep their knowledge up to date. In addition to the requirements under the Public Service Pensions Act, it includes compliance with the pension fund's training policy insofar as it relates to Pension Board members.

Governance guidelines

Myners principles

In 2001, a government sponsored review of Institutional Investment by Paul Myners set out 10 principles for best practice for UK pension fund investment aimed to enhance pension fund decision making. In October 2008 the Government revised the Myners Principles. In doing so, the Government opted for six (rather than 10) higher level principles and expects funds to report against these principles. The extent of the fund's compliance with each of the guidelines is set out in Appendix A of Investment Strategy Statement.

The Pensions Regulator (TPR)

The Public Service Pensions Act 2013 introduced a new framework for the governance and administration of public service pension schemes and provides extended regulatory oversight by the Pensions Regulator from 1 April 2015. The fund uses the TPR's regulatory tools and measures itself against TPR's codes of practice to meet its statutory objectives and to review standards. Pension Boards must also comply with certain legal requirements, including assisting the fund in relation to securing compliance with scheme regulations and other legislation relating to the governance and administration of the scheme, any requirements of the regulator and with any other matters specified in scheme regulations.

Scheme Advisory Board (SAB)

The Local Government Pension Scheme Advisory Board is a body set up under Section 7 of the Public Service Pensions Act 2013 and The Local Government Pension Scheme Regulations 110-113. On 1st April 2015 the Board was established as a statutory body. The purpose of the Board is to encourage best practice, increase transparency, and coordinate technical and standards issues. Governance and administration standards issued by the SAB is used by the Fund, pensions committee and the pension board.

The Myners principle, the TPR guidance and the statutory position have led the council as administering authority to conclude that the current governance arrangements within the Fund provides the appropriate balance between accountability and inclusion.

LGPS Central limited

The Local Government Pension Scheme (Management and Investment of Funds) Regulations 2016 formally introduced the concept of asset pooling. Because of this, the Shropshire County Pension Fund has joined with seven other LGPS funds across the Midlands (partner funds) to form an asset pool, known as LGPS Central.

LGPS Central Limited is the company formed by the partner funds which is authorised as the operator of the Authorised Contractual Scheme (ACS), to provide investment services to the partner funds, by the Financial Conduct Authority (FCA). The company is therefore subject to the regulator's conduct of business rules and has established its internal governance framework to ensure strict adherence both to its regulatory obligations to the FCA and with the Companies' Acts.

It is important to note that the councils of each of the partner funds retain their core duties and responsibilities as the administering authorities of their respective LGPS funds.

Asset allocation decisions remain with the partner funds. Manager selection for assets transitioned into the ACS and for assets managed under discretionary agreements by the operator is the responsibility of LGPS Central Limited. Manager selection for the remainder of the pool's assets currently remains with the partner funds. The operator is responsible for selecting the custodian for the assets in the ACS; the partner funds are responsible for selecting the custodian for the remaining assets.

LGPS Central Limited was formed on 1 April 2018 and impacts the roles of the Pensions Committee. However, changes will be gradual as the transfer of the management activity to the new company progresses. Consequently, the existing governance arrangements and terms of reference need to run concurrently with new terms required to facilitate changes.

The above governance structure of LGPS Central will allow partner funds to exercise control (both individually and collectively) over the pooling arrangements; not only as investors in the ACS but also as shareholders of the operator company.

The LGPS Central Joint Committee has been set up in accordance with provisions of the Local Government Act 1972 to provide oversight of the delivery of the objectives of the pool, the delivery of client service, the delivery against the LGPS Central business case and to deal with common investor issues. The membership of the joint committee consists of one elected member from each council within the LGPS Central pool. A trade union representative is also appointed as a non-voting member of the joint committee to represent the scheme members across the councils' pension funds. Shropshire's representative on the LGPS Central Joint Committee is the chair or vice chair of the Pensions Committee (Shropshire Council member).

The primary role of the Shareholders' Forum is to oversee the operation and performance of LGPS Central Ltd and to represent the ownership rights and interests of the shareholding councils within the LGPS Central pool. The Shareholders' Forum is independent of the company and its meetings are distinct from company meetings, however, members of the Shareholders' Forum represent the councils at Company Meetings. The councils as

individual investors in the company have in place local arrangements to enable their shareholder representatives to vote at company meetings.

The Shropshire Pension Fund, as a shareholder in LGPS Central has equal voting rights alongside the other partner funds and unanimous decisions are required on certain reserved matters before the actions can be implemented. These are specified in the company's shareholder agreement and articles of association. Other matters not directly related to the control of the company to manage its operation are subject to a majority approval (75%).

Shropshire's representative on the Shareholders Forum is the chair or vice chair of the pensions committee (Shropshire Council member).

The Practitioners' Advisory Forum (PAF) is a working group of officers appointed by the shareholding councils within the LGPS Central pool to support the delivery of the objectives of the pool and to provide support for the pool's joint committee and shareholders' forum. PAF seeks to manage the Pool's conflicting demands and interests, either between the participating Councils or between the Councils (collectively) and the Company, recognising that speaking with "one voice" reduces the duplication of costs and resources and maximises the benefits of scale. PAF will also report back to partner fund's Pensions Committees on matters requiring their attention. Shropshire's representatives on PAF are the Head of Pensions – LGPS Senior Officer and the Pension Investment & Responsible Investment manager.

Terms of reference have been approved for the joint committee, the Shareholders' Forum, and the Practitioners' Advisory Forum. These are "live" documents which are likely to evolve as the practical day to day experience of working within the LGPS Central pool evolves.

Delegation to officers

Under the Local Government Pension Scheme Regulations 2013 Shropshire County Pension Fund is required to formulate a policy on local discretions which can be found in Appendix A. In line with regulation 105 (2) of the Local Government Pension Scheme 2013, the administering authority may delegate its functions where it deems it necessary to do so.

In addition to these fund discretions there are certain employer discretions, which employers must formulate a policy. All policies received by the fund are published on the fund's website.

Arrangements outside of formal governance

The council is committed to the widest inclusion of all stakeholders in consultation and communication outside of the formal governance arrangements. The arrangements include:

With employing authorities

The fund's primary long-term investment objective is to achieve and maintain a funding level at, or close to, 100% of the fund's estimated liabilities; and within this, to endeavour to maintain stable employer contribution rates. Employing authorities are pro-actively consulted on the funding strategy statement on which the valuation and employer contribution rates are based.

The ratio of membership from the various employing authorities in the Shropshire County Pension Fund is:

Organisation	Contributors %
Shropshire Council	47
Borough of Telford and Wrekin Council (co-opted)	24
Parish / town councils	1
Other scheme employers	19
Admitted bodies	9
Total	100

The Shropshire County Pension Fund involves all scheme employers, irrespective of size, in consultations and communications. The information to be supplied by employers to enable the administering authority to discharge its functions, is outlined in the pensions administration strategy statement which can be found on the pension fund's website:

www.shropshirecountypensionfund.co.uk

Over the last decade, consultation with employing authorities on pension fund investment, actuarial matters and proposed central government changes to the regulations has evolved. A large step forward was afforded by the introduction of investment strategy statement and funding strategy statements, the consultation process surrounding them, and where these statements can be accessed.

All employers are invited to regular employer meetings which provide information on changes in regulations, investment matters and actuarial valuations. All employing authorities are also kept abreast of events, by email, and they are encouraged to get in touch if they have questions. There is also a dedicated area for employers on the Shropshire County Pension Fund website. This information includes the employers' guide and information for new employers.

The fund undertakes annual monitoring of its actuarial valuation position. Employer organisations are kept up to date of the latest position and its likely impact on employer contributions as assessed during the actuarial valuation. At triennial valuations the scheme actuary presents to the employers meeting to explain changes in the funding level and implications on employer contribution rates. Employers meetings are also used to discuss the funding strategy statements and data requirements for FRS101/102 and IAS19.

Annual updates are provided on the Pension Fund website which Scheme Members can access. These include the Annual Report & Accounts, Climate Strategy, Administration updates, Responsible Investment, Investment performance, other policies, newsletters etc. The Pension Administration and Investment teams are also easily contactable for specific issues that members wish to discuss. Pension Committee meetings are live streamed so members of the public and the scheme members are able to access. **With scheme members**

Employees are represented on the Pensions Committee by two non-voting members (both union members) who have an active role in the performance monitoring, investment strategy and responses to consultations on regulation changes. Retired members are represented by a non-voting retired member.

Where possible every member of the scheme receives pensions newsletters. The fund's annual report is published on the pension fund's website and an email notification (where an email address is held) is issued notifying the website update. The full communication policy can be found on the fund's website. This policy outlines the fund's approach to communicating with members, representatives of members, prospective members and employing authorities; including the format, frequency, and method of communications.

The pension fund's website includes further information on:

- Annual report and accounts
- Investment strategy statement (including compliance with Myner's principles)
- Funding strategy statement
- Communications policy
- Actuarial valuation
- Investments and LGPS Central

The pensions team has a very good informal working relationship with the unions and is always there to assist with any problems in understanding the regulations.

Training policy

The fund recognises the importance of ensuring that all staff and members charged with the financial management and decision making with regard to the Pension Scheme are equipped with the knowledge and skills to discharge the duties and responsibilities allocated to them.

Considering the requirements following the LGPS governance changes emerging from the Public Service Pensions Act 2013, officers continually review the fund's training policy to ensure that all stakeholders are well equipped to carry out their duties as effectively and efficiently as possible.

The training policy applies to:

- Pension fund officers and managers
- Pensions Committee members
- Local Pensions Board members.

The training policy is regularly reviewed and once an updated policy is adopted, steps are taken to ensure all parties meet their requirements.

Myner's first principle states that administering authorities should ensure that:

'Decisions should only be taken by persons or organisations with the skills, knowledge, advice, and resources necessary to make them effectively and monitor their implementation. Those persons or organisations have sufficient expertise to be able to evaluate and challenge the advice they receive and manage conflicts of interest'

The fund provides training to members of the committee and the board during meetings featuring presentations on topical issues, such as climate change, responsible investment, different investment asset classes such as hedge funds, property, private equity, equities, bonds, private market investments etc and on actuarial valuations.

The fund's Climate Change Strategy

The Pension Committee ('the Committee') is responsible for preparing the Investment Strategy Statement (ISS) and the Climate Change Strategy. The Climate Change Strategy is premised on 10 foundational evidence-based beliefs about climate risk (considering climate science, the energy transition, and climate stewardship). The Climate Change Strategy is reviewed by the Pensions Committee on a three-year basis, with progress reviewed every twelve months.

The Committee meet four times a year, or otherwise as necessary. The Committee includes quarterly engagement reports from both their investment managers and their engagement provider as a standing item on the Pension Committee agendas. Both the Committee and the Pension's Board have received regular training on responsible investment topics. The Committee will continue to receive training on responsible investment, including climate change, every quarter.

The fund sets aside time each year for presentations on responsible investment, and environmental, social and governance issues generally. These presentations are made public by the fund on our website.

In order to support good decision-making, the fund applies the Myners Principles. Disclosure against the Myners Principles is made annually (please see Appendix A of the fund's Investment Strategy Statement).

The Head of Pensions – LGPS Senior Officer, in conjunction with the fund's investment advisor, have primary day-to-day responsibility for the way in which climate-related investment risks are currently managed and provide updates to Pension Committee. Where appropriate, the fund's pooling company, LGPS Central Ltd, assists in assessing and managing climate-related risks. As detailed in the Climate Change Strategy, the fund leverages partnerships, and initiatives – including the Institutional Investors Group on Climate Change (IIGCC) – to identify and manage climate risk. The Head of Pensions – LGPS Senior Officer is accountable to the Pensions Committee for delivery of the Climate Change Strategy.

As a primarily externally managed fund, the implementation of much of the management of climate-related risk is delegated onwards to portfolio managers. External portfolio managers are monitored on a regular basis by officers and the Pension Committee.

The Pension Committee are supported in this monitoring by the fund's investment adviser, Aon. Aon provides quarterly monitoring reports on the investment products that the fund invests in outside of LGPS Central. These reports include ratings on key criteria such as risk management, investment process, performance analysis and ESG ratings where applicable. Material developments in these areas are communicated to the Pension Committee, which considers whether further action is required.
