THE PREVENTION OF CRIME AND DISORDER
PUBLIC SAFETY
THE PREVENTION OF PUBLIC NUISANCE

I object to this variation, on the grounds that if the current restrictions are lifted, it would have an adverse effect on the immediate neighborhood, causing a greater public nuisance than that we currently have.

The bar is poorly sighted in the hub of a residential area, affecting a growing number of residents. Experience to date demonstrates a lack of adherence to current restrictions of the license and a lack of respect for neighbors. Indeed, there has been scant regard for neighbors and a somewhat arrogant response to our requests for greater control of patrons; particularly when leaving the premises often at or after 22:30hrs. which means that people are frequently lingering in the vicinity for a further 30 minutes or so. A situation which is always worse following "events", such as parties etc.

We have been reasonable in our requests to deal with this nuisance; first meeting with the Licensee to outline our concerns and then following up with letters (copies attached), which have largely been ignored. Examples of public nuisance and anti-social behavior experienced under the current arrangements, include shouting, obscene language, banging car doors, vehicle headlights, loud voices from groups of people awaiting transport and people smoking outside the premises and by the access gate to our property.

Even during this process Nomad at No 63 are still advertising "walk-ins", against their current permitted activities (see attached). Experience has shown that the licensee has a flagrant disregard for the conditions of their current license and any variation or extension of the existing facility is only likely to exacerbate the situation. Indeed, there is no reason to believe that a variation would be adhered to or make any difference to the way in which this business operates, except to make conditions worse by those most affected.

THE PROTECTION OF CHILDREN FROM HARM

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

To be acceptable to the neighborhood, a responsible condition to the License should be that of the current license: A restriction to click and collect and retail sales only and I suggest a small number of events (such as wine tasting) which must be limited; I suggest one per month and specifically to exclude events or functions such as Hen Parties, Birthday Parties and Wedding Showers etc.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is

given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.

Further to our meeting with you on 20 June, we are very disappointed that there has been at least one further incident, again involving a group of patrons at your establishment giving rise to us feeling it necessary to complain to you again.

Whilst we offer you our support and wish you well with your business, we feel that we have no option, but to raise this matter again; highlighting that particularly on a warm and pleasant summer evening, when your customers are drawn outside to smoke and drink, we too wish to enjoy our gardens and the outdoors. This we feel is reasonable.

We have agreed with you the limits of what is and is not acceptable at our meeting; when you also agreed to inform us if you were to have a party or larger groups of customers. To date we have had no such notice! Please note however, that any notice does not excuse unacceptable behaviour.

The noisy and boisterous behaviour on Saturday (16 July 21:45 – 22:30), appeared to go unchecked, and the gathering of people awaiting transport immediately outside of the gates (approx. 23:00) was also disturbing.

This immature, selfish and inconsiderate behaviour is completely unacceptable, and we now insist that you take immediate and appropriate steps to ensure that it does not happen again. I also point out the objectives of the Licencing system:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

Thank you for your cooperation,

Dear Cameron & Rachel,

Following our previous correspondence, we are deeply disappointed with the events of this last weekend. In particular the disturbance and nuisance late into the evening when your patrons were leaving your establishment, but also when outside smoking etc.

Prior notice of an event, function or party does not in any way excuse unacceptable behaviour and it is evident that there is insufficient respect for your neighbours, particularly when there are large numbers. It is with great regret therefore that we have to inform you, that should there be any further incidents whatsoever, we will be making a formal complaint to the local authority; we will also raise objections to the renewal of your licence.

Everyone should be able to enjoy the peace and tranquillity of their own home. We have been clear, fair and reasonable in our requests and we will not enter into any further correspondence in this matter. We trust that you will take appropriate and immediate action to ensure that there are no further incidents that give rise to further action.

Yours sincerely,

Dave Sale
