3. Report

- a) As a statutory committee, jointly formed between NHS Shropshire, Telford and Wrekin and the two local authorities, Shropshire Council and Telford and Wrekin Council, the Integrated Care Partnership (ICP) is responsible for producing an integrated care strategy on how to meet the health and wellbeing needs of the local population.
- b) The Health & Care Act 2022 requires each Integrated Care Board (ICB) in England to produce and publish a Joint Forward Plan (JFP). Guidance published by NHS England in December 2022 informed ICBs and their partner trusts that
 - they have a duty to prepare a first JFP before the start of the financial year 2023/23
 - in the first interim year the date for publishing and sharing the final plan with NHS England, their integrated care partnerships (ICPs) and Health and Well-being Boards (HWBs), is 30 June 2023
 - a draft version is due for publication by 31 March (this is completed and the draft uploaded)
 - consultation on further iterations will continue after that date, prior to the plan being finalised in time for publication and sharing by 30 June
 - ICBs and their partner trusts must involve relevant Health and Wellbeing Boards in preparing or revising the JFP
 - the final version must be published, and ICBs and their partner trusts should expect to be held to account for its delivery – including by their population, patients and their carers or representatives – and in particular through the ICP, Healthwatch and the local

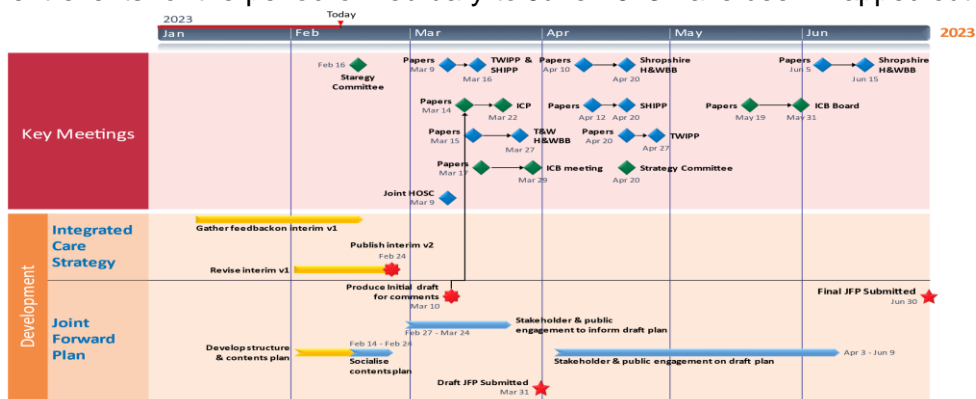

authorities' health overview and scrutiny committees

Statutory framework (not including interaction with wider system partners) relating to the JFP

Progress

- a) The interim Care Strategy (IC Strategy) was presented to the Integrated Care Partnership board and has since been signed off by the Board of the Integrated Care Partnership (ICP) in its meeting of 20 March 2023 and published <https://www.shropshiretelfordandwrekin.ics.nhs.uk/integrated-care-strategy-and-joint-forward-plan/>
- b) In order to meet obligations set by the Health & Care Act 2022 to produce the required plan a Joint Forward Plan Working Group and a PMO to coordinate the work has been established. Activities required to manage the JFP through its approval process as well as ongoing engagement events for the period of February to June 2023 have been mapped out.

Regular highlight reports and a Joint Forward Planning Readiness Checklist (JFPRC), offered as a non-mandatory tool by NHSE, are being used to track progress.

A first draft of the JFP was presented to the ICB Board in its meeting on 29 March 2023; the board agreed with the draft and tasked the JFP working group to expand the plan towards a final version for publication at the end of June 2023. See Appendix A for a copy of the draft JFP and a summary document.

A programme of engagement activities informing the development of the JFP is being implemented. Feedback from the events is currently being collated and analysed and will be reflected in further iterations of the JFP.
