### Executive Summary

The Health & Care Act 2022 requires each Integrated Care Board (ICB) in England to produce and publish a Joint Forward Plan (JFP) as the framework for the implementation of the interim Integrated Care Strategy (IC Strategy).

This report seeks to:

- a) provide an update on the development of the JFP

### Recommendations

The Committee is asked:

- a) to note progress on the development of the JFP

### Report

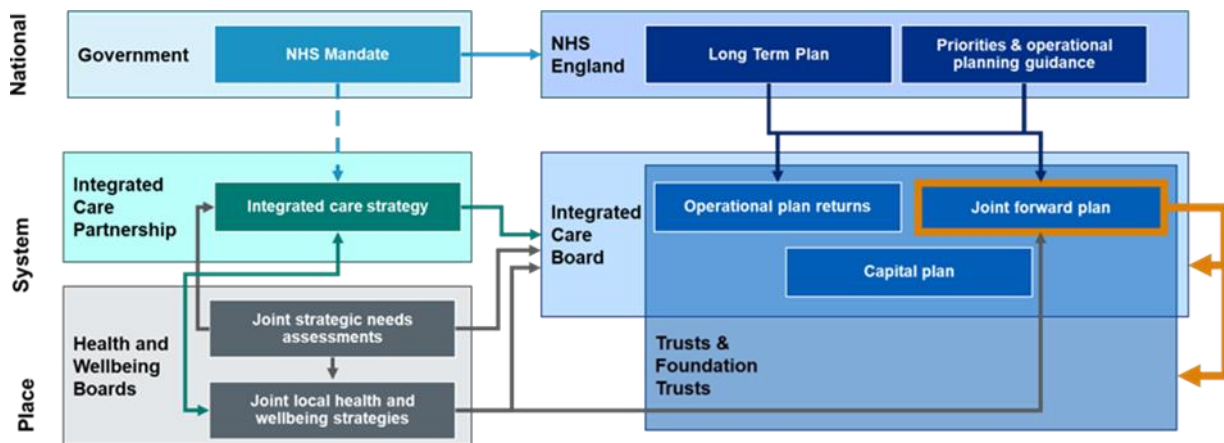

At its last meeting on 20 April 2023 the committee was informed that the interim Integrated Care Strategy (IC Strategy) for the Shropshire, Telford and Wrekin ICS had been signed off by the Board of the Integrated Care Partnership (ICP) in its meeting of 20 March 2023 and published <https://www.shropshiretelfordandwrekin.ics.nhs.uk/integrated-care-strategy-and-joint-forward-plan/>

The framework for the implementation of the interim IC Strategy will be the Joint Forward Plan (JFP).

Guidance published by NHS England in December 2022 informed ICBs and their partner trusts that

- they have a duty to prepare a first JFP before the start of the financial year 2023/23
- in the first interim year the date for publishing and sharing the final plan with NHS England, their integrated care partnerships (ICPs) and Health and Well-being Boards (HWBs), is 30 June 2023
- consultation on further iterations may continue after publication of the draft plan, prior to the plan being finalised in time for publication and sharing by 30 June
- ICBs and their partner trusts must involve relevant Health and Wellbeing Boards in preparing or revising the JFP
- the final version must be published, and ICBs and their partner trusts should expect to be held to account for its delivery – including by their population, patients and their carers or representatives – and in particular through the ICP, Healthwatch and the local authorities' health overview and scrutiny committees

*Statutory framework (not including interaction with wider system partners) relating to the JFP*

In order to meet obligations set by the Health & Care Act 2022 to produce the required plan a Joint Forward Plan Working Group (including representatives from Health and Wellbeing Boards and Healthwatch) and a PMO were established. They have been coordinating the activities required to manage the JFP through its draft stages and approval process as well as ongoing engagement with key stake holders.

NHS England guidance also stipulates that close engagement with partners will be essential to the development of JFPs and recommends close working with

- the ICP (ensuring this also provides the perspective of social care providers)
- primary care providers
- local authorities and each relevant HWB
- NHS collaboratives, networks and alliances
- the voluntary, community and social enterprise sector
- people and communities that will be affected by specific parts of the proposed plan, or who are likely to have a significant interest in any of its objectives

In order to meet the requirements of the guidance feedback on iterations of the plan have been sought from

- Telford and Wrekin HOSC
- both Health and Wellbeing Boards
- the ICB board
- the ICB Strategy committee
- the place based Bords SHIPP and TWIPP

In addition a comprehensive programme of events and activities was undertaken to engage with key stake holders in the system and members of the public. Feedback from these events is being collated and analysed and will be reflected in the final iterations of the JFP.

During June further feedback will be sought from the Joint Health and Oversight Scrutiny Committee (HOSC), the Health and Wellbeing boards, the place based boards TWIPP and SHIPP and the Integrated Care Partnership (ICP) board.

The draft JFP was discussed in a meeting with the regional NHS England (NHSE) office in April 2023 and the project management methodology as well as the content of the plan received positive feedback. A virtually complete version was submitted for review and feedback from subject matter experts within NHS England on 22 May – see attached as Appendix A. Feedback on this version is expected for early June.

- It is anticipated that a final version of the JFP will be signed off by the ICB board in its meeting on 28 June ready for publication by 30 June 2023.
