***Your representation must relate to one or more of the following four licensing objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.**

THE PREVENTION OF CRIME AND DISORDER
There were 4 days of concerts held last year 20th - 23rd July 2023. I am aware of various anecdotal reports of crime and disorder
PUBLIC SAFETY
Ludlow is a medeaval town with narrow and winding streets. The lorries for the summer 2023 events had great difficulty in accessing the centre. Roads were closed. How could an ambulance arrive quickly if needed? If these events bring in 6000+ people there are huge risks.

THE PREVENTION OF PUBLIC NUISANCE

The concerts held last year (July 2023) caused me and my guests a great deal of stress and anxiety. Accessing my home and business was difficult there was noise from the setting up, taking down and the concerts themselves over at least 8 days. The volume of sound from the concerts was too high. Moreover it started each morning with sound checks before the main events. This is a residential area not an open field or an enclosed auditorium. The sound could be heard all over Ludlow. This is a gross imposition. Whatever the stated economic benefits they cannot be justified by inflicting misery on a substantial number of residents who support the local economy and pay their community charges throughout the year, every year.

THE PROTECTION OF CHILDREN FROM HARM

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

Like many other residents in the immediate vicinity I would reluctantly accept 4 events (i.e. 4 days of concerts). Subject to an end time of 10.30 pm. and strict sound limits.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
