***Your representation must relate to one or more of the following four licensing objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.**

THE PREVENTION OF CRIME AND DISORDER <p>There is a strong possibility of alcohol consumption into the late evenings, as well as daytime, in the immediate vicinity of the hospital. This would cause danger to patients, staff, visitors and other health workers of the hospital. This could also bring about unwanted intrusion of the hospital. There would be an unwanted level of noise, distressing to all patients, including the elderly and those at the end of life and their families.</p>
PUBLIC SAFETY <p>There would be an increased number of people and vehicles coming and going through the nhs site, adding to danger. There are a high number of elderly and disabled people using the hospital environment and its services. Entrance and exit to the premises in question, is through a shared, restricted car park, used by both able and less able bodied hospital users, this includes young children, and parents with prams and pushchairs.</p>

THE PREVENTION OF PUBLIC NUISANCE

The increase in numbers of people and vehicles in the immediate environment of the hospital, particularly during evenings, would cause both danger and nuisance to patients, hospital staff and other hospital users.

Both the proposed business unit and hospital buildings use the same vehicular and pedestrian entrance and exit on to a busy main road.

THE PROTECTION OF CHILDREN FROM HARM

Children and parents may also be affected by increased anti-social activity on the hospital site, both day time and evenings.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

The use of alcohol in and around nhs buildings is incompatible.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
