

LICENSING ACT 2003  
REPRESENTATION FORM

**Other Persons**

Name/Company Name/Name of Body you represent	Peter salter
Postal & email address	[REDACTED]
Telephone number	[REDACTED]

**Name & Address of premises for which the representation is being made:**

**Gather/ Art-Iculate, Units 1 and 2, SY8 Studios/Former Maternity Block, Gravel Hill, Ludlow SY8 1FP**

My representation will relate to one or more of the four Licensing Objectives. In line with guidance, I will give evidence supporting my representation or the reason for my representation.

**TO PREVENT PUBLIC NUISANCE**

**I object to the licensing of this property because of noise and public nuisance so close to the hospital. As a resident close to the Ludlow Brewery we are inconvenienced late at night by people trailing home from the brewery site. We also find empty glasses and bottles left on window cills . I cannot imagine that this licensing supports those with alcohol problems attending the hospital or indeed the traffic both vehicular and pedestrian around a hospital that is supporting of sick patients.**

## PUBLIC SAFETY

In terms of safety the roundabout corner is often clogged by traffic and people . Any additional traffic leaving the hospital site due to the license premises will further congest this roundabout and also probably give more traffic to the road leading down to the town centre. This road has congestion and requires cars using the road to wait for oncoming traffic.

First Responder Vehicles need access urgently and those that attend the hospital usually cannot move quickly enough for the supposed revellers in SY8 studios licences premises. Lorry delivery of alcohol will also overwhelm the street.and drivers who think its OK to park in the hospital parking could obstruct the route of ambulances

## THE PREVENTION OF HARM TO CHILDREN

## TO PREVENT CRIME AND DISORDER

I believe that Ludlow as a civic /urban centre should have places around its periphery that vary in use. The town needs places for tourism and lively visits but it also need places of quiet – a town needs an emphasis in its quality of space . If the whole town is “open for business” with new license premises then the quality of urban space is lost and eventually one could imagine the particular nature of the place will no longer attract visitors. WE already have

**bouncers on the doors of our pubs why should this become the norm especially in hospital grounds**

Generally if there is to be a hearing to determine the premises licence application, the sub-committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheets if necessary.

If you do make a representation you will be expected to attend the Licensing Sub Committee and any subsequent appeal process. All representations in their entirety, including your name and address, will be disclosed to the applicant for the premises licence and any other interested parties. If all parties agree, the application can be dealt with without holding a hearing.
