- To make a representation you must complete and send this form to licensing@shropshire.gov.uk. Representations may also be submitted by post to: Licensing Team, Business & Consumer Protection Service, Shirehall, Abbey Foregate, Shrewsbury, SY2 6ND.

PLEASE NOTE: The representation form must be received by the Licensing Team before the end of the consultation period stated on the site notice, newspaper notice and the Council's website, or it will not be accepted. Posted representations not received within a consultation period due to the postal system will be treated as late and not accepted.

- Where a representation is accepted as relevant, **the Council will share the representation in its entirety with the applicant and their agent.** This is to allow them an opportunity to consider the issues raised in the representation and discuss possible ways to mitigate the objector's concerns with them directly.
- Only in exceptional circumstances will personal details be redacted from representations. This will be when the Council considers that there is a genuine risk of intimidation / violence to the persons making representation. Persons making representations who consider this to be a risk should make it clear on their representation and they will be contacted to discuss further.
- At the end of the consultation period, if any representations remain, the name and address of persons making representations will be published on the report to the Licensing Sub Committee, which will be publicly available.

***Your representation must relate to one or more of the following four licensing objectives. Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary.**

THE PREVENTION OF CRIME AND DISORDER This change of use to include community and education events could help give young people a sense of purpose, inclusion, and drive similar to a youth club. The total lack of provision for creative outlets for people (across the entire spectrum) in Ludlow currently means that a key aspect of life is missing. This initiative (and any others like it that may be encouraged to start up) are sorely needed, and I believe will genuinely help reduce crime, not just through the aforementioned educational mission, but through an increased sense of community and optimism.
PUBLIC SAFETY With the change of use applying to indoor activities, I see no effect on public safety.

THE PREVENTION OF PUBLIC NUISANCE

An increased sense of community makes us stronger against acts of public nuisance. This change of use is only likely to decrease such activity, as an increased presence of responsible adults will act like a neighbourhood watch.

THE PROTECTION OF CHILDREN FROM HARM

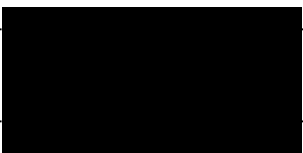

This change cannot have any impact on this concern beyond an ameliorative one thanks to the introduction of educational activities.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

From my perspective, the license is flexible enough to allow for a wide range of positive activities, including those aimed at adults in the evening. I understand that some are concerned about the alcohol, numbers involved and the hours, but I don't know how an assurance that the organisers will not breach this will be built in beyond the usual protocol. I understand they have already reduced the hours for the license as they were aiming for maximum flexibility initially - so this shows good will.

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
