| |
|---|
| THE PREVENTION OF CRIME AND DISORDER The reuse of the old maternity ward is a fantastic opportunity for Ludlow to broaden its creative offering. Importantly for people like myself it provides a creative location and destination with a town where I grew up and carry out a large amount of as freelance designer. Re-using an existing building that had be empty for around 6 years helps reduce the likelihood of crime and disorder on the site next to the hospital, increasing friendly and welcoming activity in the area and genarting opportunities for locals to meet and connect. |
| PUBLIC SAFETY I believe there is no risk to public safety within this project - it only seeks to improve people's lives |

THE PREVENTION OF PUBLIC NUISANCE

The sale of alcohol is simply to go along with the social offering or potential events, talks, workshops. I do not see there to be a creation of public nuisance. The site already a busy area with the hospital and other businesses operating near by, and a busy road accessing Ludlow at its entrance. SY8 Studios would breathe life back into a redundant space and the town itself.

THE PROTECTION OF CHILDREN FROM HARM

I do not believe there is any risk to children with this proposal - only increased opportunities for young people to attend workshops etc.

Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary.

This project has my full support. Looking to improve creative spaces and connections within Ludlow and its wider community

- Generally, if there is to be a hearing to determine the premises licence application, the Licensing Sub Committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheet if necessary.
- If you make a representation, you will be expected to attend the Licensing Sub Committee hearing and any subsequent appeal process. **All representations in their entirety, including your name, address and contact details will be disclosed to the applicant for the premises licence and their agent.**
- If limited or withheld personal details are redacted from representations, where notice of a hearing is given to an applicant, the licensing authority is required under the Licensing Act 2003 (Hearings) Regulations 2005 to provide the applicant with copies of the relevant representations that have been made.

I/We fully understand that this representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publicly accessible documents, and any subsequent appeal court proceedings.
