LICENSING GUYS
KEEPING YOU LEGAL AND TRADING

Dear Licensing Authority

Re Forthcoming Hearing before the Licensing Sub Committee

We, TL Guys Ltd t/a The Licensing Guys TM are Licensing Consultants based in Herefordshire but operating across the whole UK. We have been instructed to represent the applicant company in the forthcoming Hearing regarding Gather, SY8 Studio, LUDLOW.

On a recent site visit to the premises, we recorded a short video tour of the premises to assist the Committee in conceptualizing the application and its setting. It has been placed as a public listing on YouTube and can be found by clicking the attached link: [https://youtu.be/0WXQN5G -G0](https://youtu.be/0WXQN5G-G0)

We would be obliged if you would circulate this link to the Committee members and Representors as we intend to refer to it at the Hearing. We very much look forward to presenting our client's case before you there.

Kind regards,

Nick Semper
