Report content

1. Executive Summary

The purpose of Shropshire Integrated Place Partnership (ShIPP) is Shropshire's Place Partnership Committee. It is a partnership with shared collaborative leadership and responsibility, enabled by ICS governance and decision-making processes. Clinical/care leadership is central to the partnership, to ensure that services provide the best quality evidence-based care and support for our people, improving outcomes and reducing health inequalities.

It is expected that through the programmes of ShIPP, and routine involvement and coproduction local people and workforce can feed ideas and information to inform and influence system strategy and priority development. ShIPP is a formal subcommittee of the ICB Board.

This report provides an update of discussions in October 2025.

5. Next Steps & Forward Plan

5.1. The following actions were agreed by presenters and committee members to carry the work forward:

ShIAPP Accelerator Group

- **Planning workshop:** review terms of reference, clarify group roles, and ensure appropriate representation at joint HWBB/ShIAPP Planning Workshop in February.
- **Merge groups:** merge the Healthy Lives Steering Group into the ShIAPP Accelerator Group, reviewing membership and operational aspects to reduce duplication.

ShIAPP Prevention Funding

- **CYP Social Prescribing Funding:** Clarify the position on funding for children & young people's social prescribing and the PCN's financial contributions going forward.
- **Prevention Funding Workshop Participation:** Ensure that those unable to attend the Joint Design Workshop for prevention funding can provide input and have their views represented in the process.
- **Prevention Funding Communication:** Send immediate communications to all applicants explaining the revised prevention funding process and timelines and provide ongoing updates following the Joint Design Workshop and funding review panel.

Draft SEND JSNA

- **Review Recommendations:** committee members were asked to review the detailed recommendations presented, with the aim of finalising the documents for Health and Wellbeing Board sign-off in March.

Urgent & Community Care Winter Plan

- **Winter Plan and Community Services Communication:** Clarify and communicate the differences and referral processes for urgent community response, rapid response, and virtual ward services to all relevant stakeholders, ensuring terminology is consistent and easily understood.
- **Neighbourhood Health and UEC Programme Alignment:** Arrange a meeting to align the National Neighbourhood Health Implementation Programme with UEC and other system programmes.
