

Worfield Endowed Church of England Primary School (Aided) Policy for Admission 2020/21

Applications to School

As an Aided School, we are responsible for our own admission arrangements but in order to help everyone we follow the same timescale as the rest of Shropshire LA. Many parents choose to let us know at an early date that they would like their child to attend the school in due course. A preliminary form stating this interest can be obtained from school. Whilst it is helpful if parents can let us know at this early stage, it must be noted that such expressions of interest do not constitute registering a child or placing a child's name on a waiting list nor being offered a place. Offers of places can only be confirmed in the academic year before the child is due to start school after application has been made to Shropshire Council via the online application facility. This should be made before the closing date of 15th January preceding the academic year in which the child is due to start school.

Parents can name up to 3 preferences in application. Anyone unable to access the online facility should contact the Admissions Team. The Admissions Committee is responsible for the allocation of places. Parents will be informed by letter from the Council's Admissions Team on behalf of the governing body whether their application has been successful or not after 16th April. Applications for pupils starting school but not in the reception year should be received as soon as possible.

Applications for any year group other than Reception should make an application directly to the school. Parents who are interested in sending their child to the school are welcome to make an initial visit to the school. Information about the school is provided on the school's website www.worfield.shropshire.sch.uk

At what age may your child start school?

All children in Shropshire are entitled to start school full-time in the September following their fourth birthday. Parents may also defer entry to school until later in the year or until their child reaches compulsory school age (the term following their child's fifth birthday) or elect for their child to attend part-time. Where summer born children defer entry to September 2021 they will normally be admitted into Year 1 (not Reception) and will need to make a separate application, unless a formal deferral has been agreed. (Please see information below.) Previous applications cannot be held over into a different academic year; a fresh application must be made.

Parents may request a formal deferral for their child to begin Reception in a later cohort. Such requests should be made in writing to the local authority by the closing date for applications (15 January) in the age-appropriate application year. Requests

will be considered by the admission authority on the basis of the individual circumstances of each case and in the best interests of the child concerned.

Parents are asked to indicate when making their application which is the desired term of entry for their child. This will make no difference to the allocation of a school place but assists us in place planning in our schools and nursery settings.

Alternatively parents will be able to opt for 15 hours nursery provision for the autumn term free of charge, especially if a parent feels that their child is not ready for mainstream school. *Parents will need to apply separately for a place at Worfield Nursery. An application form can be obtained from the main school office.*

Worfield School Nursery has a separate admission application form and places for the Nursery must be applied for as stated in Nursery Admissions Policy. Please note that Worfield School has an LA maintained Nursery within an Early Years Unit. This is not the same as Worfield Caterpillars, which is a privately run letting on the school site.

This table helps to explain by dates of birth when children can start their primary age education.

| 5th Birthday falls | Can start school on first day of | Must have started school on first day of |
|--|---|---|
| Between 1 September 2020 and 31 December 2020 | Autumn Term 2020 | Spring Term 2021 |
| Between 1 January 2021 and last day of Easter holidays | Autumn Term 2020 or Spring Term 2021 | Summer Term 2021 |
| 1 st day of Summer Term 2020 and 31 August 2020 | Autumn Term 2020, Spring or Summer Term 2021 or Autumn Term 2021* | Summer Term 2021 or Autumn Term 2021* |

Parents may opt to defer entry to the term after their child's 5th birthday and will not lose a Reception place which has already been allocated through the applications process.

*** In this instance the child would normally be required to join the school in Year 1, not Reception. Parents must apply separately for a Year 1 place which could only be considered for allocation after the summer half-term holiday in 2020, by which time there might not be any places available in the year group.**

The allocation date for 2020/21 will be 16th April.

Admissions Criteria

The School's admission number is 29.

Children with a Statement of Special Educational Needs or Education and Health Care Plan (EHCP) which names Worfield Endowed C.E. Primary School as the appropriate school to meet those needs will be allocated places, after which places are allocated according to an agreed set of criteria, in strict order of priority:

Where the number of applications exceeds the admission number (29 in each year group) then the admissions criteria are used to decide which applicants have priority.

1a. Looked After Children. Children in public care, usually referred to as 'Looked After Children' and children who were 'previously looked after'. Previously looked after are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

A looked after child is a child who is in the care of a local authority in England, or is being provided with accommodation by a local authority in England in the exercise of their social services functions. Previously looked after are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

1b. Children who appear to the admission authority of the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

2. Children with medical or special circumstances. This will be considered only if parents can provide written medical evidence that Worfield Endowed C.E. Primary School is essential to the medical wellbeing of their child. In exceptional circumstances priority may be given above those children who qualify under priorities 3 to 6.
3. Children living in the designated catchment area (see appendix 1) and who have an older sibling at the school on the date they are due to start.
4. Other children living inside the designated catchment area (see appendix 1) and whose homes are nearest to the school.
5. Children living outside the catchment area and who have an older sibling at the school on the day they are due to start and whose homes are nearest to the school.
6. Other children living outside the designated catchment area and whose homes are nearest to the school.

Notes:

A sibling connection is defined as a brother or sister, step-brother or step-sister, half-brother or half-sister, living at the same address as part of the same family unit and of compulsory school age (i.e. 5 – 16 years). Fostered or adopted siblings are also included. Older siblings must be attending the school on the date the younger sibling is due to start there. However, cousins or other relatives who take up residence in a home in order to establish an "in catchment area" address will not be given priority under the sibling criterion.

For admissions purposes, all distances are measured as a straight line distance on a computerised mapping system which pinpoints the eastings and northings of the home address and the nearest appropriate entrance gate of the relevant school.

The shortest distance being given highest priority. Where two addresses are within the same block of flats, the lowest number of flat or nearest to the ground floor will be deemed to be the nearest in distance.

In the case of twins or multiple births from the same address the school will admit both or all siblings where one twin/child of multiple birth qualifies for a place.

In the event that two or more applications are considered to be of equal priority after all other criteria have been taken into account a tie breaker will be used. This will be by random allocation and overseen by an independent party not connected with the admissions process.

There is no cost associated with the admissions process to any Shropshire LA maintained schools.

Late Applications

Applications received after 15th January will only be handled where a family has moved house after the closing date or where there has been a serious illness or bereavement in the family. In such exceptional cases the latest date by which applications can be considered will be mid-March in the school year preceding the year in which the child is due to start. Where a late application cannot be allocated a place the applicant's name will be placed on a waiting list and considered at the Review stage.

Unsuccessful Applications

If an application is unsuccessful then parents may have the refusal decision reviewed. Parents should write to the Chair of Governors who will forward the letter to the Review Committee. This Committee will then review the refusal decision. The review decision will not be taken by one individual. The purpose of the Committee is to check that all applications have been dealt with in accordance with the Admissions criteria and whether there are any exceptional circumstances which ought to be taken into account.

If the Governing Body's Review Committee is satisfied that no further places can be allocated, then applicants will be informed of their rights to an Independent Appeal.

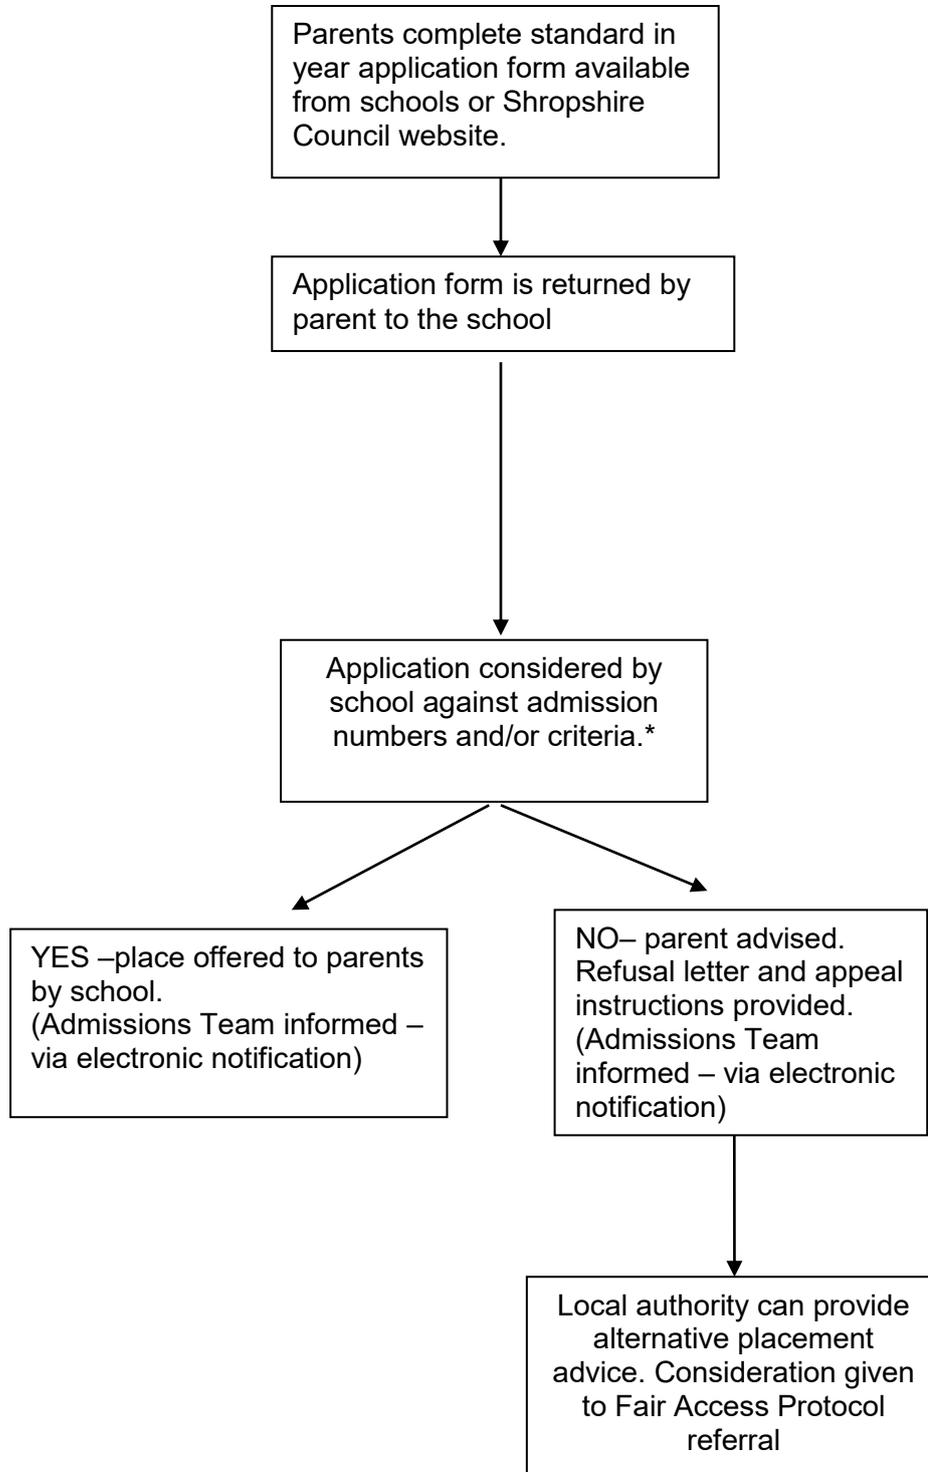

Details and information about the arrangements for appeals are set out in the Council's information booklet "Parents' Guide to Education in Shropshire," copies of which are held in school for reference. Alternatively, they are available from The Admissions Team, Learning & Skills Group, Shirehall, Abbey Foregate, Shrewsbury SY2 6ND.

If the appeal is still unsuccessful the applicant's name will be placed on a waiting list which will operate until the beginning of the new academic year. If, subsequently, a place comes available and there are 2 or more applicants the admissions criteria will be used to determine the priority of the applications.

In Year Admission Process (at times other than start of Reception)

Mid-term applications are made directly to the school.

Process

* If a place is available within the PAN then a place will be offered by the Executive Headteacher and it will be reported back to the Admissions Committee. In the event that a place isn't available within PAN, the Admissions Committee will meet to determine whether to offer a place.

Mid-term applications will be dealt with using the same admissions criteria given above. To apply for a place other than the start of Reception Year, parents should apply directly to the school on a mid-term application form available on the Shropshire Council website www.shropshire.gov.uk/schooladmissions or from school. If there is a space in the relevant year group a place will be granted. If the application is for a place in an over-subscribed year group then the Executive Headteacher will meet with the Admission Committee to consider whether additional places can be offered above the published admission number. If a place cannot be offered, parents will receive a formal letter and information on how to appeal against the decision from Shropshire Council Admissions Team.

In certain circumstances specified in admissions regulations, the school may be required to offer places to children over and above the published admission number due to their exceptional circumstances e.g. service children in accordance with the Armed Forces Covenant or children who are placed in accordance with the Fair Access Protocol.

Other than the first term of Reception year, the school will maintain a waiting list for unsuccessful applicants. If any vacancies arise, places will be offered to applicants included on the waiting list in strict accordance with normal published oversubscription criteria. If a place can be offered the applicant will be expected to take up the place within 6 school weeks or by the start of the next half term, whichever is the earliest date, with the exception of Reception children who have deferred entry until later in the same academic year. At the end of the first term of the academic year of admission, the waiting list will transfer from Shropshire Council to the school. If an offer of a place is refused, the pupils' name will be removed from the waiting list.

Allocation of places for children moving into Shropshire Council's designated catchment area can only be considered when formal confirmation (signed tenancy agreement when no property is owned, or exchange of contracts) of the address has been received.

All applicants are required to give correct information about the genuine residential address of the child. Where any information regarding a home address is found to be fraudulent or misleading a school place may be withdrawn even if the child has been admitted to the school.

Transport

The following pupils are entitled to free transport to their nearest or catchment area school:

- Pupils living beyond a 2 mile walking distance
- Pupils unable to walk to school for reasons of their SEN, disability or mobility problem
- Pupils unable to walk in safety due to exceptional hazards along the route. This requires a formal assessment and will only be granted if all the criteria can be met. Applications would have to be made to the Passenger Transport Services (PTS) regarding a particular route.
- Disabled parents prevented from accompanying their children along a walking route.
