29/07/2019	The Hare and Hounds Public house, Withington, Shrewsbury SY4 4PY  part of the land has a valid planning permission for development that the owner is implementing and the Council therefore believes it is unrealistic to think that the Community could use this part of the land in the future											29/07/2024	125

12/09/2016	Station Buildings 1A, 1B & 2, Gobowen Railway Station, Gobowen SY11 3JS  The Council has listed Unit 02 but not listed Units 1A or 1B as one unit houses an accountancy firm and there is no evidence that the firms operations furthers the social well being of the local community, the other unit is vacant and not in use.	14/12/2016	25/01/2017	23/01/2017	14/06/2017	14/06/2018						12/09/2021	95

### Unsuccessful (Nominated but not listed)

Decision Date:	Address:	Reason for not listing:	Date To Be Removed From List:	Ref No:
06/08/2018	The Pheasant Inn, Brittons Lane, Linley Brook, Bridgnorth, WV16 4TA	The previous use as a public house has ceased meaning Section 88 (1) does not apply; and the use was not in the recent past therefore Section 88 (2) does not apply	06/08/2023	119
09/06/2017	The Bridge Inn, Dorrington, nr Shrewsbury SY5 7ED	The property is not currently used as a pub and it has not been demonstrated that it furthers the social wellbeing or social interest of the local community as previous use has been primarily by those outside of the local community.	12/06/2022	105
21/09/2016	Pasture land lying between Hopesay Farm and Fernhill House, Hopesay, SY7 8HD	The land is pasture land and there has been no physical use of it for or by the local community. Legal precedent has been set in this regard concerning Visual Amenities	30/09/2021	96
15/07/2016	The Waterdine, Llanfair Waterdine, Knighton LD7 1TU	The property has not been used as a public house in the last 5 years, therefore the use that did/could further the social wellbeing of the community has not happened in the recent past.	20/07/2021	93
22/06/2016	Melverley Methodist Church, Melverley Green near Oswestry. SY10 8PG	Whilst there is some evidence of use that furthers wellbeing and social interest, on balance it is not considered that this use is non-ancillary	22/06/2021	89

## Community Right to Bid Nominations for Assets of Community Value

### Unsuccessful (Nominated but not listed)

Decision Date:	Address:	Reason for not listing:	Date To Be Removed From List:	Ref No:
08/03/2016	The Engine and Tender Inn, Broome Road, Aston on Clun, SY7 0NT	The previous use as a pub has ceased meaning Section 88(1) does not apply; nor does Section 88(2) as the use was not in the recent past.	08/03/2021	84
02/02/2016	Swan Hill Depot, Swan Hill, Ellesmere, SY12 0DQ	The primary use of the land has been associated with office and workshop accommodation for Shropshire Council. In accordance with the legislation an asset can only be listed if a principal ("non-ancillary") use furthers (or has recently furthered) the community's social well-being or social interests. The supporting evidence provided within the nomination and that which has been provided separately by other groups and local residents relate to ancillary uses.	08/02/2021	80
20/03/2015	Welshampton CE Primary School Playing Field, SY12 0NR	There is no evidence of uses of the land, which are not ancillary uses, which further the social well-being or interests of the community. Therefore the current use of the property does not satisfy the criteria at section 88(1a) of the Localism Act.	20/03/2020	53
09/03/2015	Westgate Council Offices, Westgate, Bridgnorth, WV16 5BL	The provisions of section 88 (1) do not apply in this instance as there is no current use of the building as it is vacant. The nomination does not satisfy section 88 (2)(a) of the Localism Act. The building is not in current use and the nomination has not demonstrated non-ancillary use of the building in the recent past which furthered the social wellbeing or interest of the local community.	09/03/2020	52
06/03/2015	Land at Church Street Ellesmere SY12 0HD	There is a lack of evidence provided to demonstrate that the land itself has had a regular community use in the recent past. It is evident through further enquiry that the land has not been used as a public car park for over twenty years and therefore is not in the recent past and does not satisfy Section 88 (2). The reasons cited that it has an open attractive perspective towards the Mere and that it is an important strategic location do not constitute a use as defined in Section 88 (1).	06/03/2020	51
10/02/2015	The Lodge, Vicarage Road, Weston Rhyn Oswestry, SY10 7RG	It is clear that the previous use as a community pub has ceased and it is highly unlikely that this use will occur again in the next five years due to the changes made to affect a change of use and the term of the lease to the new tenant.	10/02/2020	49
