## Social value the North West Relief Road (NWRR) scheme brings

- The NWRR scheme will create employment opportunities for local people, including those who have been in long-term unemployment, people with disabilities, and young people with fewer opportunities.
- We are committed to sourcing a proportion of materials through local supply chains, and as a result, will help the local economy.
- The NWRR scheme will provide training opportunities, such as BTEC, City & Guilds, NVQ and HNC qualifications for young apprentices.
- We will ensure funding is available for community initiatives.

As a result of the North West Relief Road scheme, there will be fewer accidents, less noise and better air quality, meaning there will be a net improvement to the town.
