

## **Albrighton Parish Council by-election – 9 April 2020**

Due to the national position in relation to Covid-19 (coronavirus) and following National Guidance, Claire Porter, Returning Officer, has made the decision to suspend the above by-election. This is the most appropriate action to take given the current very serious circumstances for the welfare of the public and all concerned.

The by-election will not take place on 9 April 2020. It will be rearranged on a date to be determined but it is possible that this will not be until May 2021. Further details regarding the by-election will be published as they become available. Further legislation is awaited.
