Dear Sir/Madam

Enclosed Representation Form

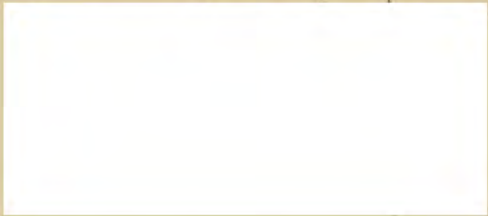

Re: Clwa Village

I have endeavoured to fill in the form. However, I consider them to be wholly inappropriate for the majority of the residents to complete and I would be surprised if you received

many responses. This is not because we don't feel strongly about the matter but because we don't have the background in planning that is required to understand and complete these forms. They are incomprehensible to the layman.

I have written in the past with my views on how the village should be in the future. I hope now that you will listen to what we have been saying.

Yours faithfully

Representation Form

Please complete a separate **Part B Representation Form** (this part) for each representation that you would like to make. One **Part A Representation Form** must be enclosed with your **Part B Representation Form(s)**.

We have also published a separate **Guidance Note** to explain the terms used and to assist in making effective representations.

Part B: Representation

Name and Organisation:	Mrs Pat Bailey Clive Resident
------------------------	----------------------------------

Q1. To which document does this representation relate?

- Regulation 19: Pre-Submission Draft of the Shropshire Local Plan
- Sustainability Appraisal of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan
- Habitats Regulations Assessment of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan

(Please tick one box)

Q2. To which part of the document does this representation relate?

Paragraph: Policy: Site: Policies Map:

Q3. Do you consider the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan is:

- | | | |
|--|-------------------------------|---|
| A. Legally compliant | Yes: <input type="checkbox"/> | No: <input type="checkbox"/> |
| B. Sound | Yes: <input type="checkbox"/> | No: <input checked="" type="checkbox"/> |
| C. Compliant with the Duty to Co-operate | Yes: <input type="checkbox"/> | No: <input type="checkbox"/> |

(Please tick as appropriate).

Q4. Please give details of why you consider the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

As I understand it, we are still being considered a 'hub'. We no longer have the amenities in the village you are saying we have - they are gone. The bowling green is now part of a private garden and has been for two or three years. The shop no longer exists as a shop and will not be so in the future. I believe the owner has applied for change of use to a residential annex to his property on which the building sits. We therefore have to travel out of the village. We only have a Post Office for four hours a week (in the Village Hall) and recently that has just been two hours a week. I hope we will be able to keep this but time will tell.

(Please continue on a separate sheet if necessary)

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

As previously stated you need to update your data to reflect how things actually are here in the village now.

(Please continue on a separate sheet if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

Q6. If your representation is seeking a modification to the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan, do you consider it necessary to participate in examination hearing session(s)?

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

(Please tick one box)

Q7. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

(Please continue on a separate sheet if necessary)

Please note: The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
