Question 4

From the early submissions to the questionnaires on the Local Plan it became absolutely clear that individual respondents were emphatically opposed (88% against) to the high level of growth being proposed by Shropshire Council. This attitude was also backed by both town and parish councils (74% against) who were also opposed to such high growth levels.

These strongly held views of the wider public are being ignored by the Cabinet members (no doubt backed by central government policy) who are undemocratically pursuing their own agenda.

For Shropshire Council to totally ignore the overwhelming view of its electorate and their local government representatives is unsound.

Question 5

The overwhelming view of the wider public should be recognised and the overall housing target should be lowered significantly.
