------------	----------------------	---------	----------------------	-------	-------	---------------	----------------------

Q3. Do you consider the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan is:

- | | | |
|--|-------------------------------|---|
| A. Legally compliant | Yes: <input type="checkbox"/> | No: <input checked="" type="checkbox"/> |
| B. Sound | Yes: <input type="checkbox"/> | No: <input type="checkbox"/> |
| C. Compliant with the Duty to Co-operate | Yes: <input type="checkbox"/> | No: <input type="checkbox"/> |

(Please tick as appropriate).

Q4. Please give details of why you consider the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The points count includes two factors which are no longer, or likely to be in the future, present in the village of Clive. Namely:

A bowling green which is in the centre of a private garden and which requires access through private grounds. Such permissions have not been in place for some time and the new owner has given no indication that permissions for such use will be provided in the future.

The village shop/convenience store was marketed, without success, for several years before the recent tenant took it on. They decided not to continue after less than 12 months. The owner of the property has reasonably concluded that it is not a 'going concern' and is not re-marketing the property.

Neither of these events is Covid related and neither appears likely to change its status in the near future.

(Please continue on a separate sheet if necessary)

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The relevant factors should be removed from the points count and Clive judged on what is actually in place rather than what was in place.

(Please continue on a separate sheet if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

Q6. If your representation is seeking a modification to the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan, do you consider it necessary to participate in examination hearing session(s)?

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

(Please continue on a separate sheet if necessary)
