

Representation Form

Please complete a separate **Part B Representation Form** (this part) for each representation that you would like to make. One **Part A Representation Form** must be enclosed with your **Part B Representation Form(s)**.

We have also published a separate **Guidance Note** to explain the terms used and to assist in making effective representations.

Part B: Representation

Name and Organisation:	Simon Knight
------------------------	--------------

Q1. To which document does this representation relate?

- Regulation 19: Pre-Submission Draft of the Shropshire Local Plan
- Sustainability Appraisal of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan
- Habitats Regulations Assessment of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan
- (Please tick one box)

Q2. To which part of the document does this representation relate?

Paragraph:	Page 16	Policy:	App Q	Site:	SHR060	Policies Map:	
------------	---------	---------	-------	-------	--------	---------------	--

Q3. Do you consider the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan is:

- | | | | | |
|--|------|-------------------------------------|-----|-------------------------------------|
| A. Legally compliant | Yes: | <input checked="" type="checkbox"/> | No: | <input type="checkbox"/> |
| B. Sound | Yes: | <input type="checkbox"/> | No: | <input checked="" type="checkbox"/> |
| C. Compliant with the Duty to Co-operate | Yes: | <input checked="" type="checkbox"/> | No: | <input type="checkbox"/> |
- (Please tick as appropriate).

Q4. Please give details of why you consider the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Within SHR060 to its East boundary there is a large pool which is recognised within the Site Assessments of the Sustainability Appraisal (App Q p517-519). However, this fails to attract any negative scoring (p16) for what should be considered a Wildlife Site.

(Please continue on a separate sheet if necessary)

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I would like to see this significant water feature which is recognised as a core/priority habitat (p518) given appropriate negative scores (1-3) in recognition of it being a Wild Life site (not yet officially recognised I believe) with permanent waterfowl (Teal, Mallard, Moorhen, Coot and occasional Swan etc) and amphibious residents and a significant spot for migrating birds such as Grey Lag and Canada Geese utilising the adjoining fields. This would then show that this site is on the closer end to a Poor site than just making Fair from Good. With a housing development already to its West bank, failure to protect this pond further could destroy an established wildlife habitat. This pool lends itself ideally to be a major part of the green corridor suggested in the Shrewsbury Town Plan and be a site that many others can enjoy for walks and appreciating the nature on their doorsteps.

(Please continue on a separate sheet if necessary)

Please note: *In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.*

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

Q6. If your representation is seeking a modification to the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan, do you consider it necessary to participate in examination hearing session(s)?

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

(Please tick one box)

(Please continue on a separate sheet if necessary)
