I consider that the Regulation 19:Pre-Submission draft of the Shropshire Local Plan is unsound since, in respect of the village of Clive, it is using outdated and inaccurate information. Specifically, the points score used in the latest Hierarchy of Settlements (August 2020) for Clive's amenities and services still include a village shop and bowling green –neither of which exist.Therefore the correct points allocated to Clive should now be 47points putting Clive below the threshold for Community Hub status.

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The modification necessary is to recognise the correct points allocation for Clive as 47 points and remove its designation as a Community Hub
