There is a common law duty to take the results of a consultation "conscientiously into account". I do not believe Shropshire Council have met this requirement considering they have not taken into account how Covid 19 restrictions have impacted people's ability to have their say and have not stopped this process due to Covid19.

The consultation has not taken into account the restrictions on public involvement because of Covid19 restrictions and it is therefore against government guidelines. One of the stated consultations means for people without internet access is through public libraries. Much Wenlock library is now closed, as are all libraries throughout Shropshire, resulting in those without internet access not being able to participate in the consultation process. The demographics of Shropshire on the 2011 census states that 24% of the population in the county is over 65 and are more likely to rely on libraries for internet access. As you can see, the consultation process has not been sound as these demographics have had no access to the resources they need to respond.

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I ask the Independent inspector to review Shropshire Councils consultation process during Covid19 and the obvious impacts that has had on preventing people from replying.
