The proposed employment allocations at Stanmore are presented in the Local Plan Review as being necessary to serve the needs of Bridgnorth, and the Stanmore area is presented as being part of Bridgnorth town. This is not the case. The Stanmore area is physically separated from Bridgnorth by a steep wooded escarpment. It is located in open countryside and does not form a natural extension to Bridgnorth.

The Local Plan Review Policy S3.1 indicates that the Bridgnorth area will deliver 1,800 houses and 49 ha of employment land in Bridgnorth. The Strategic Land Supply 2016 – 2038 set out in Appendix 6: Employment Development Guidelines and Employment Land Supply, however, indicates that a total of 40.5 ha of land is to be allocated in the Place Plan Area, with only 37.7 ha to be provided in Bridgnorth. Clearly there is a discrepancy in the figures. The Local Plan does not explain why it is necessary to allocate 49 ha of employment land in Bridgnorth. The discrepancy appears to be around the amount of develop-

ment proposed for employment uses at Stanmore. It does not appear that the figures support this allocation.

Policy S3.1 is not properly justified or evidenced, and has not been prepared on the basis of positive and robust predictions of future requirements and take-ups of employment or employment land.

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Sites STC002 and P58a – allocated for employment development at Stanmore – should be deleted from the Plan. There is no requirement for an alternative site to be identified.

(Please continue on a separate sheet if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

Q6. If your representation is seeking a modification to the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan, do you consider it necessary to participate in examination hearing session(s)?

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

(Please tick one box)

Q7. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Office Use Only	Part A Reference:
	Part B Reference:

There has been considerable pressure placed on nearby residents to the proposed sites to accept the proposals put forward in the various drafts of the Local Plan Review, and they have not been adequately represented by locally elected Parish and County Council official and Members. It is considered essential that the wishes of local people, who will be those most affected by the proposed development, should be heard.

(Please continue on a separate sheet if necessary)

Please note: *The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.*
