The sites proposed for employment development at Stanmore is situated in open countryside, and are accessed through a country park. The Council, and the local residents in the Stanmore area, have gone to great lengths in the past to preserve this situation.

Policy SP10 of the Local Plan Review proposes to restrict economic development in rural areas in line with national guidance. Policy SP10 says that development proposals in the countryside will be allowed where they maintain or enhance countryside vitality and character. There is no guarantee that the proposed allocations will produce that effect, so the proposed allocations are an attempt to side-step such limitations for future developers. There is no reason why such allocations should be made, the countryside should continue to be protected.

The reasons why this area of countryside should not be protected as the majority of the

rest of the rural area of the County are, have not been justified and the need for the proposed allocation has not been properly evidenced.

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Sites STC002 and P58a – allocated for employment development at Stanmore – should be deleted from the Plan. There is no requirement for an alternative site to be identified.

	Part B Reference:

There has been considerable pressure placed on nearby residents to the proposed sites to accept the proposals put forward in the various drafts of the Local Plan Review, and they have not been adequately represented by locally elected Parish and County Council official and Members. It is considered essential that the wishes of local people, who will be those most affected by the proposed development, should be heard.

(Please continue on a separate sheet if necessary)

Please note: The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
