The land on SHR060 contains a large wildlife pond full of nesting birds + other habitat. To the west of this pond is planned a very high density housing estate. The green corridor between the pond and the buildings is far too narrow and will have a huge negative effect on the pond and the wildlife. The density of the proposed buildings is also too high.

(Please continue on a separate sheet if necessary)

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Turn the wildlife pond and the land west of it into a nature reserve. Extend the green corridor so that it can be used by schools and the public as a feature. Widen the corridor so that it does not impact the pond. Ideally this should be to the top hedge of the fields (SHRobo) west of the pond. The pond to be shown on the map.
