| A. Legally compliant | Yes: | <input type="checkbox"/> | No: | <input checked="" type="checkbox"/> |

Q4. Please give details of why you consider the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The draft Local Plan takes no account of the Act of Parliament and policies in respect of 'localism'. Nor does it comply with clearly expressed local sentiment and recommendations in the Much Wenlock Neighbourhood Plan. Flooding is a major issue in Much Wenlock yet the local authority has failed in its legal duties in this respect, despite extensive representations from local residents affected.

The suggestion that employment can be generated in Much Wenlock is unsound, as evidenced by the failure, over many years, of take-up of land made available.

(Please continue on a separate sheet if necessary)

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

New employment opportunities in Much Wenlock will only come about if pre-fabricated units, fitted out to a basic level with electricity and sanitation, are provided. Apart from two existing businesses, potential employers have shown no interest hitherto in undeveloped ground at Stretton Road.

(Please continue on a separate sheet if necessary)

Please note: *In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.*

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

Q6. If your representation is seeking a modification to the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan, do you consider it necessary to participate in examination hearing session(s)?
