| A. Legally compliant | Yes: | <input checked="" type="checkbox"/> | No: | <input type="checkbox"/> |

If you wish to support the legal compliance or soundness of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I think Cressage should remain Open Countryside and should not be considered a Community Hub. The residents have voiced their concerns about this many times and have been ignored by the Parish Council. This consultation process has been riddled with problems from the beginning and has been exacerbated by Covid 19. No public consultation events have been held. This would have helped Cressage residents to form an opinion and gather all the facts.

Also, I am very concerned that the Council have ignored the environmental impact of creating large scale housing developments in Cressage. The sites that have allocated for development cause grave concerns about the environmental impact. The site CES005 is a habitat for slow worms, newts, frogs, bats and other species. Since the residents have never seen a proposed plan for this site, residents are left not knowing if and how the wildlife will be protected. There has been no communication as to how the site would be developed.

If Cressage becomes a Community Hub, we will be exposed to large housing developments that will not take into consideration the environment.

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I ask that the Independent inspector looks into the points scoring system and the scores Cressage received to be designated a Community Hub. There are obvious irregularities and errors which need urgently addressing.

I ask that the Independent inspector looks at the previous responses to the consultation from Cressage residents. There were many hundreds of objections and it feels these have not been evaluated or assessed fairly by Shropshire Council. I ask the inspector to evaluate the consultation process.

I ask that the Independent inspector reviews the Countryside Charities objections and responses and considers them in depth.

I ask the Independent inspector to review Shropshire Councils consultation process during Covid19 and the obvious impacts that has had on preventing people from replying.
