Too many houses for the size of the town ,
There is already been allocated the building of 500 homes which is more than
Sufficient for Bridgnorth .The towns currant infrastructure will not support a
Development of a further 1,000 homes; it is not sound.

Infrastructure.

a) Roads; Bridgnorth by-pass becomes an access road for the housing estate rather than a road to take the traffic round the town; thus defeating the idea of a by-pass.

b) medical; local general practice unable to cope with the increased capacity.

c) Schools; noted a prpposal for a primary school but what about older children?

d) Employment; where are these home-owners goin to work? Large movement of vehicles towards other centres of employment; this goes against a greener ideas of the national government; more cars on the road and more miles travelled; not sound.

e) Tourism; Bridgnorth is attractive as a tourist centre but this development will spoil the nature and quality of the town; it will swamp the very attractiveness of the town.

f) Utilities; drainage; the land slopes down to the Mor Brook; is this the way that the surface drainage will go and flood the Mor brook and its tributaries. Sewerage how will the current facilities cope with the extra demands?

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The garden village at Tasley needs to be removed entirely from the plan; it is unnecessary there is an area already designated for 500 houses at Tasley. Bridgnorth would be turned into a dormitory town and not the attractive market town it currently is. There is no demand from the point of view of population growth in Shropshire; there is enough planned housing across the county more than adequate for any future growth in population.
