Please complete a separate **Part B Representation Form** (this part) for each representation that you would like to make. One **Part A Representation Form** must be enclosed with your **Part B Representation Form(s)**.

We have also published a separate **Guidance Note** to explain the terms used and to assist in making effective representations.

Q2. To which part of the document does this representation relate?

Paragraph:		Policy:	SP1	Site:	STC002/P58a	Policies Map:	3
------------	--	---------	-----	-------	-------------	---------------	---

Q3. Do you consider the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan is:

- | | | |
|--|-------------------------------|---|
| A. Legally compliant | Yes: <input type="checkbox"/> | No: <input type="checkbox"/> |
| B. Sound | Yes: <input type="checkbox"/> | No: <input checked="" type="checkbox"/> |
| C. Compliant with the Duty to Co-operate | Yes: <input type="checkbox"/> | No: <input type="checkbox"/> |
- (Please tick as appropriate).

Q4. Please give details of why you consider the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The aims of this policy are not supported by, or conflict with, the aims of other policies in the Plan Review. In particular and in relation to the proposed industrial allocations at Stanmore, because such development would not "contribute to meeting local needs" or to "making settlements more sustainable" as Policy SP1 requires. The settlement at Stanmore is very small and does not require 11.5ha. of employment development to meet its needs or to become more sustainable.

The Policy is not based on sound evidence and is not justified as being a sound basis for the development of more detailed policies in the Plan.

(Please continue on a separate sheet if necessary)

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Sites STC002 and P58a – allocated for employment development at Stanmore – should be deleted from the Plan. There is no requirement for an alternative site to be identified.

(Please continue on a separate sheet if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

Q6. If your representation is seeking a modification to the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan, do you consider it necessary to participate in examination hearing session(s)?

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

(Please tick one box)

Q7. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

There has been considerable pressure placed on nearby residents to the proposed sites to accept the proposals put forward in the various drafts of the Local Plan Review, and they have not been adequately represented by locally elected Parish and County Council official and Members. It is considered essential that the wishes of local people, who will be those most affected by the proposed development, should be heard.

(Please continue on a separate sheet if necessary)

Please note: The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
