Dear Sir/ Madam,

**RE: Shropshire Council Local Plan - Regulation 19: pre-submission draft of the Shropshire Local Plan Consultation – Westbury, Shrewsbury.**

I am writing in response to the consultation for the pre-submission draft of the Shropshire Local Plan, with regards to land belonging to our clients Mr. & Mrs. L Jones. This site is currently an agricultural field located in the centre of Westbury village adjoining residential development.

The site has no significant constraints. I am writing as we believe this land can be considered for short term potential due to the following:

**Availability**

Mr. & Mrs. Jones have the benefit of full title to the land and are willing to make it immediately available for development. The land is adjoining the highway with good access and developed land and this site has received interest from developers.

**Deliverability and Sustainability**

We can confirm this is a well located and fully deliverable site. The land is well placed for the expansion of Westbury in terms of its location. Therefore, we believe Westbury should be deemed a Community Hub. The land is also well placed for access to the village hall, Church and public house.

This is a site that can be fully self-contained to provide a phased level of housing required, with an access that will not have a negative impact on the existing infrastructure.

**Surveys**

Our client is very keen to provide this site for residential development, therefore is happy to provide any information the Council deems as necessary as further evidence of the site being available and sustainable such as; environmental, habitat, flood or highways reports. In addition to this we would be happy to provide indicative layout plans to show how the development could be implemented.
