Plan Review/Reports appraisals are numerous in cross referencing to the Pre-Submission Regulation 19 document. The reports and information is fragmented and disjointed and it is difficult to envisage how the Local Plan will give positive guidance in relation to proposed new development.

Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Q4 CONTINUATION:

e.g. Variation in Green Belt policy assessments regarding land to be released.

The Central Garage site is only listed in the Brownfield Land Registration Maps and makes no reference to this ongoing development in the settlement map.

Likewise no reference to Green Belt land already released.

Land references and numbering vary depending on the report undertaken at the time which involves more cross referencing.

Where Green Belt land is to be released giving the reason of a "high weighting" for example Community benefits and that reason is no longer valid or justified, how such a decision can be rescinded. e.g. ALV/006 - 007 if deemed appropriate.
