SMH031 is made up of two fields separated by a hedge line, seen clearly in this aerial photo.

I object to the smaller field directly behind the rear gardens of 1-14 Moors Bank being included in the plans. This is due to residents using this field for recreational walking to access the right of way paths, to walk to the canal, for many years. Access is also needed to our rear gardens, for purposes such as large machinery, due to narrow access at the front. If this field is developed for residential housing, it will have a detrimental impact on our quality of life, as we as a family spend large amounts of time in our garden. Our garden is a safe place for our children to play and enjoy the outdoors, especially during the Covid-19 Pandemic, where our gardens and fields are the only means to exercise and ensure wellbeing of mental health. This would no longer be the case, if this field is included as a site for residential development, as we'd be living next to a building site, and then being overlooked by housing, with no access to the right of way paths to the canal, and no access to our rear garden.

**Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.**

*Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.*

The smaller field directly behind 1-14 Moors Bank, should be excluded from this development site, leaving just the main larger field for development.

Sustainability Appraisal – Appendix O Oswestry Place Plan Area Site Assessment Page 38 Site SMH031 has a very low score of -8 on the Sustainability Appraisal – Appendix O Oswestry Place Plan Area Site Assessment with only 3 other sites scoring lower, out of 41 sites. It is our opinion, this site should not have been included as a development site for residential homes.

It is our opinion, this site SMH031 should not have been included as a development site for residential homes due to the low scoring on the sustainability appraisal.
