Not legally compliant because it ignores the 2014 adopted Neighbourhood Plan (Act of Parliament). The Neighbourhood Plan does not call for around 200 dwellings, in one batch, but for gradual development which allows the town to retain its character and to improve its infrastructure; drains, roads, alleviation of flooding, in line with development. The Council has not met its commitment to meaningful public engagement. The work of Neighbourhood Plan Refresh has been ignored by both Shropshire Council and the Town Council. This is inexplicable. Much Wenlock is fortunate to have both committed life-long residents and newer arrivals – retirees with time and energy to care. No-one wants to stop all development but they want a step by step approach to meet local needs – eg affordable housing, housing for the elderly. They want elected representatives who listen, consult and liaise openly with all concerned; the public, land-owners, Severn Trent, traffic managers. Plans to manage the flood risk and a huge increase of traffic from neighbouring developments are far from clear.

You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
