Dear Mr West

Council's response to ID1 and ID2

Thank you for your letter and associated appendices and attachments, received by us by e-mail on 4 February, in response to our initial questions letters of 3 November (ID1) and 24 November (ID2).

On initial reading of your letter, we note that there is some ongoing work in relation to a number of our questions and that this will be forwarded to us as soon as it is available. Please let us know if the timescale for the submission of any of this work changes.

In the meantime, we will continue to work our way through your letter and the appendices in a more thorough manner. We will respond in full in due course.

Also, we would like to clarify that we are not inviting comments from representors at present. They will be given an opportunity to comment on any new evidence either through a focused consultation or by way of hearing statements in response to our matters, issues and questions which will be issued in advance of hearing sessions.

No date for hearing sessions has yet been fixed. We will not be in a position to do this until all of the work I refer to above has been received by us and we have had a chance to read it.

Yours sincerely

Louise Crosby and Carole Dillon
