Tasley Parish Council (ref.A0661) Response to Planning Inspector Consultation on Shropshire Local Plan – Matter 1 Legal and Procedural Issues.

As representatives of the people resident in the parish, Tasley Parish Council thanks the Inspector for the opportunity to offer further comments following those already made in our Regulation 19 (R19) representation of 26th February 2021 (see attached) on the Draft Shropshire Local Plan (SLP).

By way of summary, our representation set out a statement of facts (paras 2 to 31) evidencing the failure of the draft SLP to meet the test for soundness (paras 32 to 37) and the failure of Shropshire Council to meet the test for legal compliance including its duty to co-operate (paras 38 to 68). We presented conclusions (paras 69 to 80) and put forward recommendations (paras 81 to 89).

We draw the Inspector's attention to paragraphs 13 to 25 and 28 to 29, in which we evidence issues with Shropshire Council's R19 (and R18) consultation process, and the fact that essentially none of the 41 material concerns raised by Tasley Parish Council on behalf of residents had been addressed by Shropshire Council in its sizeable draft SLP of over 10,000 pages, many of which had broken links to other documents.
