

## Tenbury and Burford Neighbourhood Area Designation Consultation

Tenbury Town and Burford Parish Councils have jointly applied to have the parishes designated as a single Neighbourhood Area for the purposes of neighbourhood planning.

In accordance with the Neighbourhood Planning (General) Regulations, Malvern Hills District Council and Shropshire Council are publicising the application for 6 weeks and invite representations on the appropriateness of the proposed Tenbury and Burford neighbourhood area boundary, to consider whether there are any reasons why the Councils should not make the area designation. The following downloads are available:
