WARM WELCOME VENUES – FOOD SAFETY ADVICE

We recognise that, to help residents stay warm and safe this winter, Shropshire Council and partners have compiled a range of venues, including libraries, village and town halls, community centres and faith buildings, where residents can go during each venue's normal opening hours, enjoy the facilities and keep warm.

Some venues providing food are known to the food safety team, and we already have good relationships with you. Notwithstanding this, you may be providing new services that may now include prepared snacks and/or hot meal provision.

To help you continue to deliver this service safely please see the guidance leaflet attached.

If you are not registered with us as a food business, please see the link below where you will find more information and a link to the free registration portal:

<https://www.shropshire.gov.uk/environmental-health/food-safety/food-safety-for-business/register-a-food-business/>

If you need any assistance with food safety management, please do not hesitate to contact the food team on 0345 678 6097 or via e-mail:
