Dear Sir/Madam .

BROSELEY NEIGHBOURHOOD PLAN - REGULATION 16 CONSULTATION.

Thank you for the invitation to comment on the Submission Neighbourhood Plan.

Historic England is supportive of both the content of the document and the vision and objectives set out in it.

We commend the approaches taken in the Plan and consider them to be suitably proportionate insofar as the historic environment of the Parish is concerned. In this context we support the content of the document, particularly its' emphasis on upon local character and distinctiveness, the importance of recognizing the Towns vernacular and the need for responsive contextual design in relation to new development within the historic environment. In that regard the Broseley Design Statement and Conservation Area Appraisal will no doubt prove invaluable.

Overall, we feel that it is a well-considered, concise and fit for purpose Plan constituting a positive example of community led planning.

I hope you find this advice helpful.

Yours sincerely,

Peter Boland.
