

Broseley Neighbourhood Plan

Regulation 16 Consultation

Response received 03/08/21 via e-mail to planningpolicy@shropshire.gov.uk

Dear Sirs,

I wish to record my support for the Broseley Neighbourhood plan and place on record my admiration of the work that has been undertaken to develop, through consultation, a rounded and thoughtful proposal.

I note that Barrow Parish Council declined the opportunity to have the settlement of Benthall included in the designated area, and trust that in considering the draft Broseley plan, Benthall and the wider Barrow parish does not bear the brunt of vehicles, especially commercials, denied passage through Broseley.

David Turner
